Subject: Detailed Standard Operating Procedure for a special 6-month campaign at Gram Panchayat (GP) level - 15.02.2023 to 15.08.2023.

Sir/Madam,

With an objective to enhance the penetration of Financial Inclusion in the Aspirational Districts, DFS launched Targeted Financial Inclusion Intervention Program (TFIIP) in January 2020 in 40 Aspirational Districts (ADs) and extended it to all 112 ADs in February 2021. Due to pandemic induced disruptions, the program has been extended for another two years upto March 2024.

Targets under TFIIP: All ADs to achieve the values under each Key Performance Indicators (KPI) equivalent to the performance of best Aspirational district (AD) in the country in Jan'20 and have at least one banking touch point within 5 km of every village.

Mission Utkarsh: In January 2022, a Saturation programme named "Mission Utkarsh" for selected districts was launched under the aegis of NITI Aayog. Under the initiative, 10 Districts were identified by DFS for intense and focused intervention to bring them at par with other Districts on selected KPIs. The target is to reach the State average by February 2023 and thereafter the National average in three years.

As was discussed in the last in person review meeting held at Delhi, it has been decided to organise a special 6-month campaign at Gram Panchayat (GP) level on the theme वित्तीय समावेशन से सशक्तिकरण. The selected Districts (112 Aspirational Districts and 10 Districts of Mission Utkarsh) of the country have been selected to roll out this campaign from 15.02.2023 to 15.08.2023 (as per Annexure II).

2. Duration of the Saturation Campaigns:

The Campaign will run from **15.02.2023 to 15.08.2023 (6 months)** in all the Gram Panchayat in the selected districts. Special camps will be held **every Saturday as per pre-approved program**

during the campaign period. Further, once in a month, a camp to cover beneficiaries under Svanidhi scheme will be organised in the urban bodies in the district.

3. KPIs for targeted Financial Inclusion Intervention Program (TFIIP) for Aspirational Districts and Districts under Mission Utkarsh:

i. Operative CASA accounts per lakh population
ii. PMJJBY enrolments per lakh population
iii. PMSBY enrolments per lakh population
iv. APY subscribers per lakh population
v. Villages not having banking touch-point within 5 km
vi. Financial and Digital literacy
vii. Loans under MUDRA, Stand Up India, Svanidhi Scheme, KCC etc.

Self Help Groups (SHG): Special focus will be given for Financial Inclusion of SHG members & their families, in terms of opening of individual bank accounts, enrolments under PMJJBY/PMSBY/APY, providing credit linkage etc. For this purpose, the support of all departments especially functionaries of the Rural Development Department - NRLM may be sought.

In addition to the above, data about MUDRA, PMSvanidhi, SUPI, KCC, shall also be collected and monthly camps to be organised to benefit street vendors under PMSvanidhi scheme.

4. Organising the Campaign:

The Campaigns will be coordinated by LDM under the overall guidance and directions of the District Collector & District Magistrate. The responsibility for organizing the camp for a particular Gram Panchayat shall be given to the Bank (SCB, RRB, IPPB/ Cooperative Bank) having a branch in the Panchayat or its neighbourhood by the DLCC through LDM. The relevant State Level Bankers Committee Convener Bank will provide related help and assistance to LDM's. The local administration will have the requisite flexibility to invite cooperation of any agency they deem suitable to make the Saturation Campaigns successful.

5. Prior Preparation / Communication Strategy:

Meetings of SLBC and DLCC may be held at the state and district level for working out the details of the campaign. It is expected that meetings are held at block / branch level also by the Branch Managers to enlist the support of all concerned Government functionaries and public representatives. Sarpanch, Panchayat Secretary, SHG members, BCs, public representatives and other government functionaries are expected to actively participate in the campaign besides the Business Correspondents and

6. Arrangements for the Camps:

The camp should be organized at Panchayat headquarter or any other convenient place in the Gram Panchayat. For Svanidhi loan camps, the location chosen should allow more and more street vendors to avail benefit of the scheme. Proper arrangements for seating of bank / government functionaries / public representatives and beneficiaries should be made. Arrangements for drinking water etc. should also be ensured. Counters / stalls may be set up for different schemes / activities for better management. Banners and posters of the schemes in the local language may also be set up.

The Banks should ensure deputation of adequate staff to the camp location for smooth conduct of camp and enrolment of eligible beneficiaries under the identified schemes. It should be ensured that all the applications sourced / leads generated in the camps are entered into CBS system for processing. The branch organizing the campaign will ensure enrolment of all the beneficiaries attending the campaign under the respective schemes in the bank's system not later than the next working day.

Madam/Dear Sir,

Modified Interest Subvention Scheme for Short Term Loans for Agriculture and Allied Activities availed through Kisan Credit Card (KCC) during the financial years 2022-23 and 2023-24

Please refer to our circular FIDD.CO.FSD.BC.No.3/05.02.001/2022-23 dated April 28, 2022 conveying the decision of the Government of India for continuation of the Modified Interest Subvention Scheme for short term loans for agriculture and allied activities for the year 2021-22.

2. In this regard, it is advised that Government of India has approved the continuation of the Interest Subvention Scheme (ISS) with modification for the financial years 2022-23 and 2023-24 with the following stipulations:

(i) In order to provide short term crop loans and short term loans for allied activities including animal husbandry, dairy, fisheries, bee keeping etc. upto an overall limit of ₹3 lakh to farmers through KCC at concessional interest rate during the years 2022-23 and 2023-24, it has been decided to provide interest subvention to

lending institutions viz. Public Sector Banks (PSBs) and Private Sector Banks (in respect of loans given by their rural and semi-urban branches only), Small Finance Banks (SFBs) and computerized Primary Agriculture Cooperative Societies (PACS) which have been ceded with Scheduled Commercial Banks (SCBs), on use of their own resources. This interest subvention will be calculated on the loan amount from the date of disbursement/drawal up to the date of actual repayment of the loan by the farmer or up to the due date of the loan fixed by the banks, whichever is earlier, subject to a maximum period of one year. The applicable lending rate to farmers and the rate of interest subvention for the financial years 2022-23 and 2023-24 will be as follows:

Financial Year	**Lending rate to farmers**	**Rate of Interest Subvention to Lending Institutions**
2022-23	7%	1.50%
2023-24	7%	1.50%

(ii) An additional interest subvention of 3% per annum will be provided to such of those farmers repaying in time, i.e., from the date of disbursement of the loan/s upto the actual date of repayment or upto the due date fixed by the banks for repayment of such loan/s, whichever is earlier, subject to a maximum period of one year from the date of disbursement. This also implies that the farmers repaying promptly as above would get short term crop loans and/or short term loans for allied activities including animal husbandry, dairy, fisheries, bee keeping etc. @ 4% per annum during the financial years 2022-23 and 2023-24. This benefit would not accrue to those farmers who repay their agri loans after one year of availing such loans.

(iii) Interest subvention and prompt repayment incentive benefits on short term crop loans and short term loans for allied activities will be available on an overall limit of ₹3 lakh per annum subject to a maximum sub-limit of ₹2 lakh per farmer in respect of those farmers involved only in activities related to animal husbandry, dairy, fisheries, bee keeping etc. The limit for crop loan component will take priority for interest subvention and prompt repayment incentive benefits and the

residual amount will be considered towards allied activities including animal husbandry, dairy, fisheries, bee keeping etc. subject to the cap as mentioned above. **(Illustrations)**

(iv) In order to discourage distress sale by farmers and to encourage them to store their produce in warehouses, the benefit of interest subvention under KCC will be available to small and marginal farmers for a further period of upto six months post the harvest of the crop against negotiable warehouse receipts on the produce stored in warehouses accredited with Warehousing Development Regulatory Authority (WDRA), at the same rate as applicable to the crop loan.

(v) To provide relief to farmers affected by natural calamities, the applicable rate of interest subvention for that year will be made available to banks for the first year on the restructured loan amount. Such restructured loans will attract normal rate of interest from the second year onwards.

(vi) However, to provide relief to farmers affected due to severe natural calamities, the applicable rate of interest subvention for that year will be made available to banks for first three years/entire period (subject to a maximum of five years) on the restructured loan amount. Further, in all such cases, the benefit of prompt repayment incentive @3% per annum shall also be provided to the affected farmers. The grant of such benefit in cases of severe natural calamities shall, however, be decided by a High Level (HLC) based on the recommendations of the Inter-Ministerial Central Team (IMCT) and Sub Committee of National Executive Committee (SC-NEC).
