The NPA % of the State is 8.78 and overdue % is 51.91 which is at much higher side and alarming. Rising NPA in Odisha is a matter of great concern. The Bank wise and Sector wise NPA position is given in **Annexure – 8**. For PMRY / PMEGP / SJSRY/ SHG / WCC, the NPA & Overdue % is too high, which can only be rated as unsatisfactory. The Banks are unable to recycle the funds owing to non repayment of loans, mounting overdue and rising NPA %. Banks & Govt. Departments have to make joint endeavor with specific strategies to improve the recovery performance for better recycling of funds. State Govt. is requested to constitute a recovery mechanism which will help the Banks in turn to encourage credit flow to the different sectors.

Re-launch of Modified Direct Benefit Transfer for LPG Consumers (DBTL) Scheme.

Based on the various directions from Government of India, Oil Marketing Companies (OMCs) have re-launched the DBTL Scheme in 54 districts on 15th November, 2014 in the 1st phase and rests of the districts have been covered under the scheme from **1st January, 2015**.

Option to receive LPG subsidy

Under the modified Scheme, the LPG consumer can now receive subsidy in his bank account by two methods. The two Options are:

Option-I (Primary): Wherever Aadhaar Number is available it will remain the medium of subsidy transfer. The LPG Consumer who has an Aadhaar Number should seed the Aadhaar Number to his bank account through Form No.1 by depositing the form at Bank Branch or drop box at LPG distributor's points.

And again, the consumer should link his Aadhaar Number within his LPG Consumer Number through Form -2 by depositing the Form to the LPG Distributor.

Option-II (Secondary): If the LPG consumer does not have an Aadhaar Number, then he can directly receive subsidy in his bank account by choosing either of the two methods.

Method-1: The LPG consumer should link his bank account details (Account holder's name, Account Number, IFSC Code) through Form No.4, submitted to the LPG distributor for capturing it in the LPG data base. Through NPCI, OMCs would send the bank details to the Banks for validation.

Method-2 : The consumer should submit his 17 digit LPG Consumer ID details in form no.3 to his bank branch for seeding the same in the account number and to send it to the OMC through NPCI.

Branch opening in Unbanked Gram Panchayats

Against a target of 1118 for the year 2014-15, 91 branches have been opened in the Unbanked GP as on 31.12.2014. Most of the Banks have not opened Brick & Mortar Branch in their allotted unbanked GPs.

In spite of repeated request of SLBC except Bank of Baroda, Corporation Bank, Union Bank of India, Axis Bank, ICICI Bank, UCO Bank, IOB, IDBI, OGB & Indian Bank, other Banks have not submitted road map year wise identifying the Unbanked GPs for opening Brick and Mortar branch. The Banks those have not submitted the roadmap, are requested to ensure submission of the same immediately to SLBC for monitoring.

It has been decided that, once the list of 4597 Unbanked GPs with power supply and broadband availability is finalized, the district wise lists of GPs, banks allotted and targeted month/year of branch opening will be sent to the respective Collector, requesting the District Administration to drive the branch opening programme on priority basis. The district administration will also be requested to include bank branch opening programme in their Security Protocol.

The quarter wise bank branch opening target will be reviewed bank wise at every DCC / DLRC meeting in the district concerned.

We are producing the minutes of the Meeting on “Internet Connectivity and Power Supply issues at Unbanked GPs held on 28.01.2015 under the chairmanship of Additional Chief Secretary, Finance.

1. BBNL informed that out of the 1000 GPs target for providing high speed internet connectivity by March 2015, about 250 GPs already have high standard of connectivity. The list of these 250 GPs may be immediately provided by BBNL and clearly indicated in the Unbanked GP chart on SLBC website.

2. BSNL has already provided the list of telephone exchanges where broadband connectivity was available. The latitude/Longitude of such Exchanges vis-à-vis the location of the GP Headquarters may be plotted by BSNL on Google Map for the benefit of banks desirous of opening branches.

3. It was decided that 3 phase power supply should be a mandatory requirement for opening a new bank branch. Accordingly, a separate column for 3 phase line availability may be included in the Unbanked GP Monitoring Chart uploaded on SLBC website.

4. It was informed that 4425 GPs in Odisha already have 3 phase power supply. GPs having 10 KVA supply may be clearly indicated in the Unbanked GP monitoring Chart uploaded on SLBC website.

5. Regional director, RBI, suggested that, in every district there should be a contact person representing various agencies involved in the bank branch opening process. The Lead District manager will be the contact person on behalf of all Banks in the district. Accordingly, BSNL, BBNL and GRIDCO may provide the list of their Contact Persons (with phone number) at District Level.

6. Although BBNL had been designated as Executing Agency for implementation of the National Optical Fibre Network (NOFN) project, the actual work execution has been assigned by BBNL solely to M/S Power Grid Corporation of India Limited (PGCIL). As such, it was decided that, in order to address the Right of Way (ROW) issues being faced by PGCIL, necessary instructions may be issued to all concerned to facilitate BBNL and PGCIL in executing the ambitious GP connectivity programme.

All the stake holders are taking effective steps to address the issues of internet connectivity & power supply in the rural areas.

SUCCESSION STORY – 4

Niranjan Behera: (School uniforms & Readymade Garment Mfg.)

KADI MEHNAT, PUCCA IRADA, UCHI SOCH, If the saying has made an individual successful then this has been proved once again by Mr. Niranjan Behera of Soran, a backward village of Chilika Block of Khurda district. Born to a poor family with six brother & sister and his father having a small cloth shop faced lot of difficulties in maintaining

The family expenditure from the shop in a village. Mr. Niranjan being the eldest among brother & sister dropped the idea of further studies at intermediate level and wanted to supplement the family income by employing himself in a private company.

In the year 1998, he went to Gujarat in search of job with a friend and engaged himself as technical assistant at Gujarat petrochemical and subsequently he joined as supervisor in Delhi Metro Railways. Finally he thought that this low paid job is not his cup of tea and came back to his village with ideas of starting a business which can derive job satisfaction to him. He was hopeful of getting the right opportunities to make a career then a friend informed him of an opportunities in Hindustan Apparel at Hyderabad. There he started the career as labour and ended up wage employment career as floor manager.

In the year 2010, he came back from Hyderabad with strong determination of establishing own apparel at his own block. He then sees a business opportunity in his own block as State government was procuring school uniform from neighboring state like Andhra Pradesh & West Bengal for the purpose of free distribution among school children in every block of Odisha state. He then actualized his ideas to start apparel centre in chilika block and contacted Block Development Officer for required guidance. Initially he was harassed by Govt. officials but he did not give up and applied under PMEGP scheme.

By looking at the exposure & experience, General Manager, DIC, Bhubaneswar selected him for a loan. Though he was selected by DIC, Bhubaneswar, Bank Manager, Allahabad Bank, Kalupara Ghat was not convinced enough & rejected the proposal. He then vigorously pursued the Bank & looking at his interest, bank agreed to finance Rs. 4.80 Lakhs towards procurement of machines & working capital.

Thereafter he never looked back & said each time he presented the feasibility of the proposal before branch manager, he got more confident to realize the dream.

RUDSETI training was mini MBA as said by Mr. Niranjana. Further he quotes that though he had skill in apparel industry but lacked the requisite skill to own & manage an enterprise. The training has imbued him with three Stages of entrepreneurship which was immensely useful in his enterprise.

The growth of the enterprise has been acknowledged by Industries Deptt., Govt. of Odisha, Allahabad bank & KVIC, Odisha. He is now the only supplier who is supplying uniform to 396 schools spread over 3- 4 blocks of khurda district & achieved Rs. 60 lakh turn over in the previous year with this year target of more than Rs. 1.0 crore with production capacity of 108000 pieces of uniform in a year.

Further he has provided employment to 25 nos. young unemployed youth from SC community thereby supporting 100 members of 25 BPL families in the village.

Profit is not the only motive as it is reflected from his action that he donates 2000 uniform made out of waste cloths to orphan centre in Bhubaneswar in every year. He also provides ambulance services to his village people free of cost with ambition to establish a free school in the village. Truly the success achieved by Niranjana is matching the quote of Winston Churchill who rightly said "Success is walking from failure to failure with no loss of enthusiasm"
