Bank wise performance in the three Social Security Schemes is available in ***Annexure – 5.***

Banks have come a long way in achieving various targets given for financial inclusion like opening of the bank accounts under PMJDY along with associated actions. Still number of tasks remain to be achieved, like seeding of bank accounts of various categories with Aadhaar number, mobile number, distribution and activation of RuPay cards to name a few. Now it is the time to finish this task in mission mode on or before stipulated time frame.

Apart from this, henceforth all such new accounts being opened should be simultaneously seeded with Aadhaar number, mobile number and RuPay card distribution and activation.

To achieve the target, DFS has decided to adopt the common strategy based on the inputs provided by the Banks. Since new strategy is based on the common inputs provided by the ground actors, it is hoped, this is to be psychologically and administratively adopted in right spirit to achieve the target so set.

Further, DFS will continue to monitor the achievement through weekly VCs. It is desirable that the authority concerned who all are monitoring the target and its achievement, would monitor the progress on daily/weekly basis and in case of any backlog the same should be covered in next day/week, so that no extra burden is carried forward. This strategic approach should be taken seriously by all of us in the right spirit to achieve the targets well before the set deadline.

Banks will continue to operationalize their effort in camp mode on daily basis. In addition to that, the camps indicated below are the Super Camp Mode wherein all out concentrated efforts need to be channelized by the branches and associated entities to achieve the target in mission mode.

We hope each one of us will put our sincere effort to achieve the target and come up with flying colours.

1. The representative of National Handicapped Finance and Development Corporation, New Delhi has requested to give a small presentation on Refinance Scheme through banks for flow of concessional credit to the Persons with Disabilities (PwDs) for employment and higher education. They want to tie up with various Public Sector Banks.

2. “Doubling Farmers’ Income by 2022”.

A National Seminar on “Doubling Farmers’ Income by 2022” was organized by NABARD on 12th July 2016 at New Delhi which was attended by, among others, Hon’ble Union Minister of Agriculture and Hon’ble Union Minister of State for Finance. Some of the action points that emanated from the seminar are as follow:

i) Doubling of farmer’s income should be included as a regular agenda item in the SLBC/DCC/BLBC meetings.

ii) Visit by Branch Managers of every rural branch to the villages on a pre determined day of the week with prior intimation to the Panchayat of the concerned village to interact with the borrowers and people is an effective tool to understand the ground situations of the farmers to design and implement suitable interventions.

SLBC may discuss the above issues with the banks to introduce such a system.

This can be initiated with RRBs and one or two major CBs initially and expanded in due course. There is a scope for further simplifying the agriculture loan application forms of banks, streamlining the process so as to facilitate easier processing of applications and speedier sanction of loan, etc. These issues may be discussed in the SLBC forum for redressal.

For doubling the income of farmers, apart from increasing his income, it is equally important to study his expenditure, avoidable visits to the bank branches for loan/saving purpose etc. These issues need to be studied and discussed in various forums like, SLBC, DCC, and BLBC etc. so as to cut down the avoidable expenditure of farmers thereby indirectly contributing to increasing farmers’ income.

Timely submission of error free data by Banks to SLBC

Timely submission of correct data by all Banks is of prime importance for effective functioning of Lead Bank Scheme. Delayed/Non submission of data to SLBC hampers in verification, compilation and consolidation of data. It also debars the Convenor, SLBC bank to submit complied data to RBI, NABARD, Central and State Government on various items as and when asked for.

All Banks need to make lot of improvement in this area.

Laxmi Vilas Bank, Kotak Mahindra Bank Ltd, State Bank of Mysore, State Bank of Travancore and State Bank of Hyderabad have not submitted the online SLBC Statement as on 30.06.2016 to SLBC within the set time period. We have repeated their balance outstanding figures as on 31.03.2016.
