AGENDA NO. 2

Action Taken Report on major decisions taken in 145th SLBC Meeting held on 22.11.2016.

1. Progress of Implementation of Financial Inclusion Plan in the State.

Provision of banking outlets in unbanked villages with population below 2000

As on 31.12.2016, Banks have covered 43311 villages constituting 94.38 % of the total target. Out of these villages, 657 are covered through B & M Branches and rest by branchless modes mainly through BC mode. Bank wise & District wise details are at

Annexure - 1.

The following banks have not covered 100% of their allotted villages.

Federal Bank, Dena Bank, Odisha Gramya Bank, Andhra Bank, Utkal Grameen Bank, Axis Bank, Punjab National Bank, Syndicate Bank, State Bank of India & Central Bank of India. They are requested to ensure 100 % achievement **before 31st March, 2017.**

2. Roadmap for opening of Brick & Mortar branches in villages having population more than 5000 without a bank branch of a Scheduled Commercial Bank.

78 identified villages having population more than 5000 without a bank branch of a scheduled commercial bank have been allotted by SLBC for opening of branches by March 2017.

Status of branch opening in 78 villages with population more than 5000 as on 10.02.2017

2	Centres within 5 km radius of branch	13
3	BCs operating in Centres above 5 km radius	16

6	To be submitted to Head Office for approval of Branch opening	6
7	Survey done but found not feasible for branch opening	11
8	Reallotted other banks, survey report is yet to receive	18
TOTAL		78

Due to certain reasons like RBI's PCA, proposed merger of few banks and miscellaneous reasons, the allotted banks were not in a position for branch opening at those centers. As per advice of RBI, Bhubaneswar, SLBC has advised the respective LDMs of the 18 identified villages to convey meeting with all the nodal officers of Banks and reallocate the villages to any other banks. After reallocation by LDM, the concerned controlling heads of banks have been requested to ensure branch opening by March. 2017.

Bank Service Expansion in LWE districts in the State

The Union Finance Ministry is focusing on the expansion of bank branches and opening of post offices in the LWE districts. There are 19 LWE districts in the State of Odisha, out of which the red rebels are mostly active in Malkangiri, Koraput, Kalahandi and Bolangir district.

In view of the dominance of the Maoists in these districts, the Government is laying emphasis on expansion of the bank branches in these districts. Major causes of slow progress in branch opening in these districts are no/poor internet connectivity, poor and unstable electricity connection, poor road connectivity and security threats.

Government of Odisha has raised the issue with Centre in this regard. However, all the banks are requested to explore all possibilities to open brick and mortar branches in their allotted unbanked Gram Panchayats on priority basis..

6. Target for the year 2016-17 of Public Sector Banks and RRBs is Rs 2537.87 crore.

Findings of the study undertaken by RBI, Bhubaneswar on PMMY

1. Branches were lagging behind in conducting periodical visits to the units financed under PMMY.
2. Invoices / Bills were not obtained in 57% of cases, by the branches. In such cases, the possibility of diversion / misutilization of funds cannot be ruled out.
3. Clear instances of gross misutilization / diversion of funds were observed in 3% of the samples taken for the study.
4. Collateral Security / Third Party Guarantee was obtained in 12% of the samples indicating violation of the RBI guidelines on collateral free loans upto Rs.10 lakh extended to MSE sector.
5. Credit Guarantee Cover (CGC) under the scheme of CGTMSE or such other schemes was obtained in 29% of sample cases which indicated that CGC was not availed in larger proportion of PMMY samples studied.
6. Out of 383 cases of stress and 271 cases of NPA, restructuring / rehabilitation was considered in 34 cases only. This indicated that the concerned branches were not sensitive to resort to timely restructuring / rehabilitation process in regard to stressed / NPA loans given under PMMY.
7. Out of the 1112 samples studied, where stock statements were required to be obtained by the branch as per the terms of loan agreement, stock statement were not regularly obtained in 364 samples, indicating lapses on the part of branches in post disbursement monitoring of such loan accounts or end use of the funds.

Major discrepancies in credit appraisal system of the Banks:

- In most of the cases, the credit appraisal was not done properly by the branches viz. the loans were released without realistic assessment of borrower's requirement, appraisal note was not signed by the sanctioning authority, the amount of loan sanctioned was not mentioned in the appraisal note, etc.
- Instances were observed where the quotation of machinery / other items to be purchased with the help of the MUDRA Loan or the invoices of machinery purchases, etc. was not found on record. In certain cases, term loan were sanctioned to Kirana shops and no fixed assets were created.
- Pre-sanction visit reports were not found on record at certain branches.
- Instances of unrealistic repayment schedule have been reported.
- Some of the personal loans were classified as PMMY loans.

Incentivizing Digital payment

Government of India has launched two schemes namely- Lucky Grahak Yojana (LGY) for consumer Digi Dhan Vyapar Yojana(DDVY) for business unit. The schemes envisage offering vast number of cash rewards to those consumers and merchants who are doing digital transactions for expenditure and it entails giving away cash awards on a daily basis. Awardees are to be identified through a random digital method. National Payment Corporation of India (NPCI) has been designated as the implementing agency for the draw and is responsible for maintaining the technical integrity and security of the process.

The scheme has been drafted by **Niti Aayog**. As per the scheme, Niti Aayog has the overall responsibility for carrying out promotional activities with respect to the scheme, oversight of the scheme and coordination amongst various agencies that are responsible for execution of the scheme.

NPCI is in possession of Transaction IDs for all inter-bank transaction (Off-US) through RuPay Cards. However, intra Bank (ON-US) RuPay purchases /transactions and Merchant Establishments (POS, Micro ATM, MPOs etc.) UPI and AEPS (cash withdrawal) is available only with the respective banks. To draw the lot, it is necessary.

Therefore all banks must take necessary action to share all such details of ON-US purchase transactions of aforesaid products to NPCI latest by noon of the following day of transaction. It may be specifically pointed out that non submission of relevant data by the prescribed time will result in exclusion of the customer(s) and onus of such situation will be on the Bank concerned.

The scheme is operational with the first draw on 25th December, 2016 (coinciding with Christmas Day) leading up to 14th April, 2017 (coinciding with Babasaheb Ambedkar Jayanti) with a Mega Draw. Secretary (IT) of the state is the Principal coordinator for the draws in states.

Interest subvention on Short Term Credit and Long Term Credit to Fish Farmers

This may please be appreciated that interest subvention support to fish farmers is very crucial for integrated development of fisheries. But unless the loans are available to the farmers by the banks, interest subvention cannot be used. In every SLBC meeting, this issue has been raised. Non financing or slow financing to fishery enterprises as well as fish farmers is a matter of great concern of State Government.

We therefore, request Controlling Heads of all Banks to be very proactive in financing this sector and ensure sanction and disbursement of all eligible pending application without further delay.

All Banks may give top priority for achieving the target given under ACP for different schemes of allied sector which is supported by subsidy and interest subvention scheme of State government. Resolution

SUBJECT- Guidelines for "Engagement of Odisha Livelihoods Mission as Corporate Business Correspondent of Banks"

1. Introduction:

Odisha is one of the pioneers in SHG movement in the country through which there has been remarkable progress in empowerment and economic development of the rural poor women in the State. The Engagement of SHG members as BCs programme is a major Financial Inclusion initiative which aims at ensuring access to Banking services to WSHGs and poor households at GP level.

Odisha Livelihoods Mission will support Banks in implementation of Business Correspondent intervention by acting as a Corporate BC. The dedicated support structure and grass root level presence of OLM will facilitate in effective functioning as Corporate BC through which banking services can be provided in unbanked/under banked GPs.

The GP level SHG federations promoted under OLM will be leveraged for implementation of the intervention. As the SHG federations have expertise in financial inclusion services like savings, credit and insurance, they can be effectively utilized for roll out of this intervention. OLM as a Corporate BC will open a tremendous door of opportunity for the SHG federations for deepening financial inclusion in rural areas and financial sustainability of SHG federations.

2. Objectives:

- (a) To offer banking services at the doorstep of the villagers particularly to women and the poor households.
- (b) To facilitate provision of banking services in all unbanked/under banked GPs through SHG members.
- (c) To enhance Financial Literacy in rural areas.

3. Target:

The Unbanked and under banked GPs in the State will be targeted on a priority basis under this intervention.

4. Implementation:

OLM will act as Corporate BC and will appoint GP level SHG federation as Sub-BCs who will appoint SHG members as BC Agents. This model is suggested by NABARD as Model-4 in its circular dated 14th January 2016. The proposed revenue sharing model post taxes and charges will be 80% to SHG member engaged as BC Agent or CSP, 10% to GPLF acting as Sub-BC and 10% to OLM to meet the management cost. It will be a no profit model for OLM.

It is felt that OLM will have agreement with multiple banks for extending BC facility at grass root level. Technology model may vary from Bank to Bank and OLM would meet the necessary requirements prevalent with the concerned Banks. Model of CSC e-Governance would be more suitable for OLM which has individual settlement account.

5. Advantages:

(a) SHG members are integral part of the community and are known and trusted by the other community members. They are also more likely to stay within the community and will not migrate for other job opportunities.

(b) SHG members have basic financial literacy and are used to Dealing with money (their own and group members' money). They also have experience working with banks and other financial institutions.

(c) SHG members are mostly women who are known to be more responsible and trustworthy with money. These women will also be able to tap the part of the population which is mostly excluded financially, but provide the highest potential: women.

(d) With one of the SHG members acting as a bank agent, the transactions of the SHG including member contributions and repayments can be done directly into the account.

6. Nodal Agency:

Odisha Livelihoods Mission will be the Nodal agency to implement the scheme. State Mission Director-cum- Chief Executive Officer, Odisha Livelihoods Mission will be the Nodal Officer. A Project Management Unit will be constituted under Odisha Livelihoods Mission shall be utilized to roll out this Scheme in the State. As the nature of work is technical due to online transactions, support of outside consultants/agencies may be obtained as per requirement from time to time.

7. Source of Funding:

The financial requirement for the intervention is proposed to be met out of OLM funds. Initially financial support may be provided, however it is envisioned that an appropriate Self Sustainable Business model is developed and rolled out. Necessary coverage under Insurance for Cash transaction and Cash transit is to be ensured by OLM.

8. Sensitization & Monitoring:

- (a) OLM will develop an appropriate hierarchy at State/District/Block level for monitoring of SHG members as BC agents
- (b) A dedicated Project Management Unit (PMU) is to be created by OLM at State Level which would have retired Bankers, professionals with experience in BC intervention and Young professionals/staff on deputation from District/Block of OLM.
- (c) The Project Management Unit will be part of OLM structure. Existing resources at District and Block level may be utilized to handhold the overall BC management.
- (d) The GP and Block level SHG federations will play a critical role in implementation. They will act as Sub BC's.

9. Audit and Evaluation:

Audit will be conducted along with the statutory audit of OLM. Regular evaluation and impact studies will be conducted by OLM.

10. Project Period:

2016-2017 onwards

ORDER

It is ordered that the Resolution be published in the Extra Ordinary Gazette of the Government of Odisha for general information and copy be communicated to all Departments of Government / Heads of Departments and other concerned.

Anupama Pati, has set an example for other socio economically deprived women of Khorda district. She proved that if there is a strong desire & vision then anything can be achieved by women. She comes from an orthodox Brahmin family where women are generally restricted to household activities only. In spite of all odds today she is successful in her own way. At an early age with little education up to 7th std., she married to Maheswar Pati of Ananadapur block of Keonjhar District. Maheswar Pati, only son to his parents stayed in Bhubaneswar & struggled hard to earn a good income from his tea stall. Like others, he started his life with Anupama in a rented house in city suburb.

Initially they were not facing any challenges & at a later date they could not continue to manage the family for long after they were blessed with two children. They took a hard decision to leave the Bhubaneswar city & settle in Brahman sahi, native of Anupama. Soon after, he started a tea stall at Baghamari market & supported the family.

Looking at poor income of her husband, Anupama was motivated to join her husband by starting a tailoring unit. She made an attempt to it & contacted our Institute for entrepreneurship development training. She had undergone a Dress Designing programme at our Institute from 11/01/2016 to 31/11/2016. She completed the training successfully & immediately purchased a sewing machine utilizing her saving. She invested Rs.10000/- in purchasing machine & other materials. She started the unit in a small way & now able to earn Rs.3000/- Per month (approx.) after all expenditure. She has engaged another RUDSETI trainee in the unit.
