COOPERATION DEPARTMENT

RESOLUTION

No. 3137 / Coop. Date: 25/05/2019  
III-CR-15/19

**Sub: Pradhan Mantri Fasal Bima Yojana (PMFBY) - Implementation during Kharif 2019 and Rabi 2019-20 Crop Season**

As per revised operational guidelines of Pradhan Mantri Fasal Bima Yojana (PMFBY) and decisions taken in the 49<sup>th</sup> and 50<sup>th</sup> meetings of State Level Coordination Committee on Crop Insurance (SLCCCI) held on 06.04.2019 and 18.05.2019 respectively, the State Government have been pleased to implement PMFBY during Kharif 2019 and Rabi 2019-20 Crop Season in the State.

1. Administrative Approval of the Government of India, Ministry of Agriculture & Farmers Welfare for implementation of PMFBY has been communicated in their letter No.13015/03/2016-Credit-II dated 25.04.2018.

**2. Farmers Covered**

All farmers including share croppers and tenant farmers growing the notified crops in the notified areas are eligible for coverage. However, farmers should have insurable interest for the notified/ insured crops. The non-loanee farmers are required to submit necessary documentary evidence of land records prevailing in the State (Records of Right (RoR), Land Possession Certificate (LPC) etc.) and/ or applicable contract/agreement details/ other documents notified/ permitted by State Government.

The Self Declaration Certificate shall be treated as the substitute of "Sowing Certificate" for non-loanee farmers.

**i. Compulsory Component**

All farmers who have been sanctioned Seasonal Agricultural Operations (SAO) loans from Financial Institutions (i.e. loanee farmers) for the notified crop(s) would be covered compulsorily. All non-defaulter loanee farmers shall be covered under the programme based on the Credit limit sanctioned against them.

This provision shall override any decision taken by FIs including PACS exempting farmers from compulsory coverage of loanee farmers.

However non-standard KCC/Crop loans as defined and as per prevailing practices of the concerned Banks/Govt. regulator shall not be covered compulsorily. However, bank branches may facilitate such farmers for enrolment as non-loanee farmers.

  
25/5/19

Merely, sanctioning of crop loan against other collateral securities including fixed deposits, gold/jewel loans, mortgage loans etc. without having insurable interest of the farmer on the insurable land and notified crops shall not be covered under the Scheme.

## ii. Voluntary Component

The Scheme is optional for the non-loanee farmers. Special efforts shall be made to ensure maximum coverage of SC/ ST/ Women farmers under the scheme.. Panchayati Raj Institutions (PRIs) may be involved in extension and awareness creation amongst farmers and obtaining feed-back of farmers about implementation of the Scheme.

iii. Aadhaar has been made mandatory for availing Crop insurance from Kharif 2017 season onwards. Therefore, all banks are advised to mandatorily obtain Aadhaar number of their farmers and the same applies for non-loanee farmers enrolled through banks/Insurance companies/insurance intermediaries.

All banks have to compulsorily take Aadhaar/Aadhaar enrolment number as per notification under Aadhaar Act before sanction of crop loan/KCC under Interest Subvention Scheme. Hence the coverage of loanee farmers without Aadhaar does not arise and such accounts need to be reviewed by the concerned bank branch regularly.

3. **Clusters and Implementing Agencies:** On the basis of the recommendations of the National Remote Sensing Centre (NRSC), Hyderabad, 30 districts of the State have been grouped into six clusters for implementation of PMFBY during Kharif 2019 and Rabi 2019-20 based on risk index and area coverage. Five Insurance Companies have been selected for the six clusters through a competitive bidding process on the basis of weighted average premium to implement PMFBY during Kharif 2019 and Rabi 2019-20 in the State as indicated below:

(b) **Standing Crop (Sowing to Harvesting):** Comprehensive risk insurance shall be provided to cover yield losses due to non- preventable risks, viz. Drought, Dry spells, Flood, Inundation, widespread Pests and Disease attack, Landslides, Fire due to natural causes, Lightening, Storm, Hailstorm and Cyclone.

(c) **Post-Harvest Losses due to unseasonal rains etc:** Coverage shall be available only up to maximum period of two weeks from harvesting, for those crops which are required to be dried in cut and spread / small bundled condition in the field after harvesting against specific perils of Hailstorm, Cyclone, Cyclonic rains and unseasonal rains.

However if adversity occurs within 15 days before the normal harvest time, this provision will not be invoked.

Sum Insured per hectare for both loanee and non-loanee farmers will be same and equal to the Scale of Finance as decided by the District Level Technical Committee (DLTC) and SLCCCI. **No other calculation of Scale of Finance will be applicable.** Sum Insured for individual farmer is equal to the Scale of Finance per hectare multiplied by area of the notified crop proposed by the farmer for insurance. 'Area under cultivation' shall always be expressed in 'hectare'. There should not be any deviation in this regard.

The District-wise, Crop-wise Scale of Finance (In Rs. /Hectare) for Kharif – 2019 and Rabi 2019-20 are appended at **Annexure–III** and **Annexure-IV** respectively.
