Many prospective applicants are facing problem in providing collateral security for capital intensive projects in agriculture and allied activities. To mitigate this problem the subsidy from government may be front ended instead of back ended which will reduce the loan component to be availed by the applicants and simultaneously save on interest expenses.

As per the Atmanirbhar package announced by the Hon'ble Prime Minister on 12.05.2020 the advance to this sector has significantly improved.

Doubling of Farmers' Income by 2022-Strategy for Odisha

The Hon'ble Finance Minister in his budget speech envisaged provision of income security to the farmers going beyond the concept of food security and assured that Union Government will reorient its interventions in the farm and non-farm sectors to double the income of the farmers by 2022.

Raising crop production, reducing cultivation costs and post-harvest losses, and reform of agriculture markets are among the focus areas of the central government to double farmer incomes by 2022.

Action Point:

- There is urgent need for policy intervention by Govt. for diversification of cropping pattern.
- Reform agriculture markets to facilitate farmers to sell their produce at reasonable price.
- To Support farmer's income against falling prices.
- Raising production by improving water-use efficiency and access to irrigation.
- Bring down cost of cultivation by using soil health cards for balanced use of fertilizers.
- Provide sufficient warehouse/ cold storage facility at low cost and encouraging farmers to use warehouses to avoid distress sale of farm produce.

House may invite suggestions from the stakeholders to discuss on the ways & means for doubling the farmer's income by 2022.

Regarding Bank finance to MSMEs getting lease hold right from IDCO

Odisha Industrial Infrastructure Development Corporation (IDCO) is the nodal agency of the State Govt. to acquire land and give on lease basis to the Industries and MSMEs of the state for setting up various industrial and commercial activities. IDCO is also allows the units to mortgage the land in favour of various commercial Banks and take financial assistance for their units.

In the last few years, it is seen that, IDCO has changed certain rules in its policy of giving lease hold rights to the units. The State Govt. has its policy which states that, a unit should start its manufacturing activity within a period of 3 years from the date of allotment; otherwise, the allotment of land may be cancelled. The Allottees are facing problems when IDCO is preliminarily doing an agreement to lease for a period of 3 years with the respective units and after completion of the project, IDCO does the permanent lease deed with their respective units. Now the problem is, to take up the project, the MSME unit needs fund and the Bankers are not willing to give finance to the units against the agreement to the lease made by IDCO as this agreement to lease is not a permanent lease and mortgageable right against this lease deed has not been issued by IDCO.

We request the State Govt. to look into the matter.

(b) Govt. Sponsored Programmes PMEGP– Govt. of India

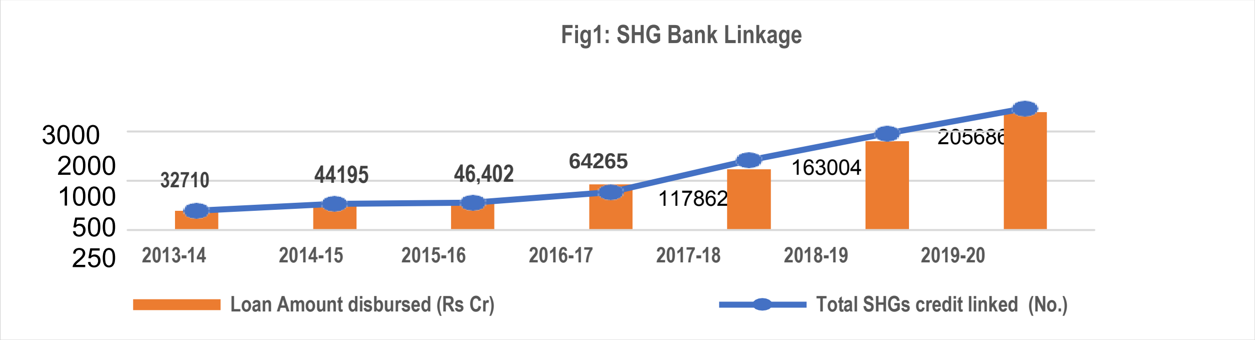
1. **SHG Bank Linkage:**

Since April 2013, Odisha Livelihoods Mission (OLM) has been facilitating Credit Linkage of women SHGs in Odisha and cumulatively leveraged Rs 8186.3 Crores from formal banks. So far over the years, SHG-Bank linkage has seen steady growth in the state. The annual pattern of SHG Bank linkage in the state is given in Fig: 1.



The combined target of Mission Shakti and OLM under SHG Bank Linkage for the year 2020-21 is to credit link **2,54,250** numbers of WSHGs with total disbursement of **Rs. 3,240.20 Cr**. RBI through its Master Circular mandates minimum loan of 6 times corpus or Rs **1** lakh whichever is higher per SHG as the first dose and higher amount in the subsequent doses. Assuming a corpus of 30 to 40 thousands minimum loan to SHG on first dose comes to around Rs.**2** lakhs. Further, SLBC Sub-committee on Rural Credit also approved minimum loan of Rs. **2** lakhs per SHG. In addition, RBI Master Circular dated 18th September 2020 mandates minimum of Rs.**6** lakhs based on MCP of SHG on 3rd linkage.

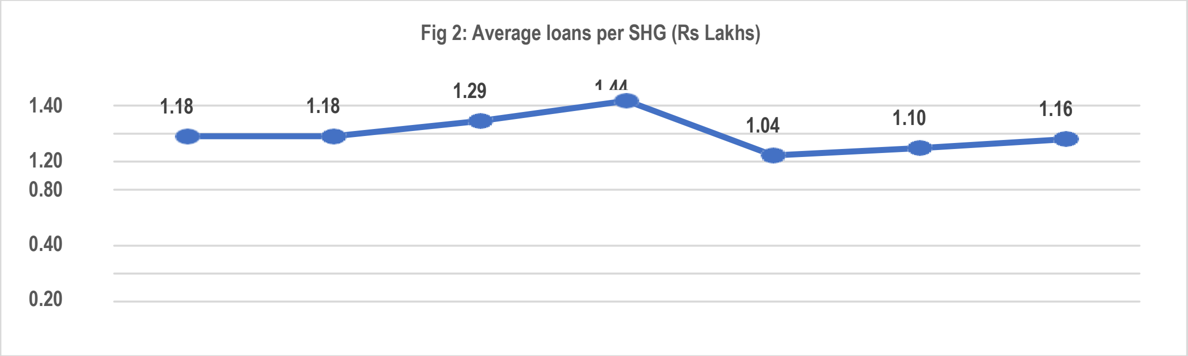
Over the years, average loan per SHG ranges between Rs 1.18 lakh to about 1.44 lakhs. The average loans size has decline since 2016-17 is given in **Fig: 2**



All Banks are requested through SLBC to adhere to the norms mandated by RBI and SLBC subcommittee on rural credit in extending 1st dose loan to SHGs. In addition, Banks are also requested to renew and enhance SHG loans on 2nd, 3rd and subsequent years as mandated in RBI circular. Systematic efforts need to be made to increase the loans to women SHGs as per doses mentioned in RBI Master Circular.

3. On Line Loan Application:

OLM has already initiated on line submission of SHG loan applications and is in the process of switching over from manual sponsoring to On Line submission of Loan application. This will ensure quality of loan proposal and enable tracking of loan proposals by stakeholders.

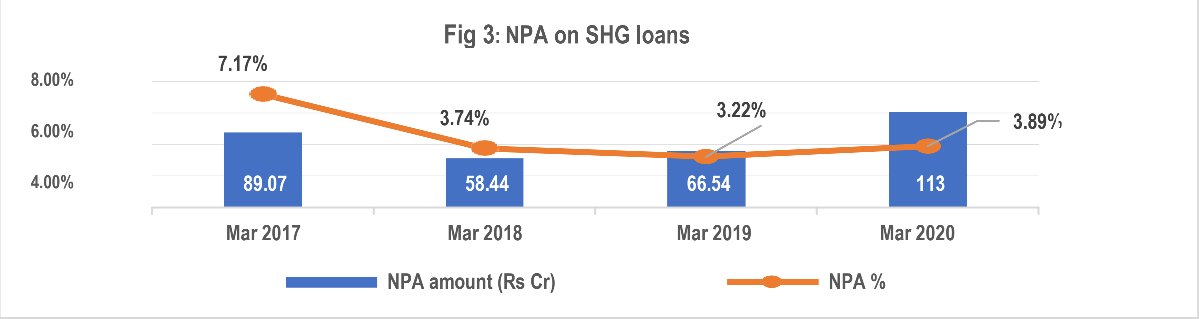
4. NPA:

As on 30th September 2020, the overall WSHG NPA is **11.35** % with an amount of Rs. **400.09 Cr** in default.

However, the Post –NRLM WSHG NPA is **3.43** % with an amount of **Rs.115.45** Cr in default. Since 2017, post NRLM NPA in terms of percentage of loan outstanding has substantially declined (**given at Fig-3**). OLM while ensuring resolution of overall NPA, aims at reducing Post NRLM NPA to less than **1**% with support of Banks.



The Bank wise WSHG NPA as on 30th September 2020 is at Annexure-21.

Keeping this in view one BC Sakhi will be selected, trained and made IIBF certified in each GP to create a ready pool of BC Sakhi. (c) NABARD Initiatives

I. Special Refinance scheme in NABARD Watershed and Wadi project areas

Background

NABARD has been implementing watershed development projects and wadi projects on participatory approach for conserving natural resources across the country for more than two decades. These development initiatives have transformed the natural and human resource endowments in compact areas and are conducive for absorption of higher capital and economic avocations. The spread of the Novel Coronavirus (COVID-19) pandemic has severely impacted the lives of million in the rural areas on account of lack of employment and livelihood opportunities due to lockdown and the severity has compounded due to reverse migration of labour force necessitating the need to create investment opportunities for rural youth in agriculture. Accordingly, the concessional refinance scheme has been conceived not only to encourage banks to lend to the economic activities and create sustainable livelihood and employment opportunities in the rural areas but also to address the issues arising out of reverse migration.

Scheme - Brief Details:

In the above context, NABARD has decided to extend concessional long term (LT) refinance support to all eligible banks/ Fis (Commercial Banks, SFBs, RRBs, Cooperative Banks and subsidiaries of NABARD) at **3%** per annum and the ultimate lending rate to be charged by banks/ FIs not to be more than **2.5%** over and above the interest rate charged by NABARD. This would enable the banks to deepen institutional credit to beneficiaries in all priority sector loans of watershed project areas and micro food processing activities in wadi project areas. Banking Plans would be prepared by NABARD in consultation with banks to facilitate sanction and disbursement ofloans. The refinance will be sanctioned under Automatic Refinance Facility (ARF) which shall enable banks to obtain financial accommodation from NABARD, without going through pre-sanction procedure formalities.

The details of watershed projects and wadi projects being implemented by NABARD in Odisha State is given in **Annexure – 39.**

State Law Department to take necessary action to see that stay in the Honorable High Court for auction of properties till 25.11.2020 is vacated so that huge amount is recovered through auction of properties from NPA borrowers which can be deployed for financing under different schemes of the Govt.

AGENDA NO.12

(a) Functioning of DCC/DLRC

As per the RBI guidelines and Lead Bank Scheme the DCC and DLRC meeting should be conducted at quarterly intervals within stipulated time without rescheduled number of times. Finance Department, Government of Odisha has advised all Collectors and

District Magistrates to extend timely support and co-operation to the Lead District Managers and ensure holding the DCC/DLRC meetings separately, as per the RBI guidelines.

DCC meetings should be convened by the Lead District Managers at quarterly intervals. At the DCC level, sub-committees as appropriate, may be set up to work intensively on specific issues and submit reports to the DCC for its consideration. DCC should give adequate feedback to the SLBC on various issues that need to be discussed on a wider platform, so that these receive adequate attention at the State Level

We request all LDMs to follow the guidelines as per the RBI circular while convening the DCC/DLRC meetings.

(b) Strengthening of LDMs

As the effectiveness of the Lead Bank Scheme depends on the dynamism of the District Collectors and the Lead District Managers (LDMs), with supportive role of the Regional/Zonal Office, the office of LDM should be sufficiently strengthened with appropriate infrastructural support being the focal point for the successful implementation of the Lead Bank Scheme.

Apart from the provision of a separate office space, technical infrastructure like computers, printer, data connectivity, etc. which are basic necessities for LDMs to discharge their core responsibilities may be provided to LDMs' Office without exception.

Controllers of the Lead Banks are requested to provide adequate staff and other infrastructure facilities to strengthen the LDM's office.

Sub:- Submission of Online Bank Loan Applications by WSHGs

Madam/Sir,

In inviting reference to subject cited above, I am to intimate you that access to credit and other financial services is key for promoting livelihood of poor. DAY-NRLM under MoRD, Govt. of India has a strong focus on building access to above by poor and facilitate them to avail credit from Banks to enable them to make investment for their immediate and livelihoods needs. Timely submission of loan application documents to Banks is a critical step in this process. Currently, SHGs are submitting manually filled loan applications to Banks. It has been observed that such applications often have errors or overwriting while filling, which makes the application redundant. Further, tracing of manual applications submitted and pending with Bank branches is a challenge.

In order to submit error free loan applications by SHGs to bank branches, DAY-NRLM has developed online loan application system. This user friendly system will enable SHG to fill and submit application online to bank branches. The application may be accessed using the URL:**https//nrlm.gov.in/nrlmbankloanapp.** (User Manual and User Credentials for Bank Branches and districts already shared). Shortly we will share User Credentials for Controlling Heads of all Banks for your monitoring purpose.

We have already imparted training to our District/Block officials and Community cadres along with some of Bank Officials too regarding submission of online WSHG loan applications to bank branches

Hence, it is requested to instruct your branches to make effective use of the system and encourage our field staffs to submit online loan applications as far as practicable.

Yours faithfully,

Sub: Enrolment of WSHG members under PMJJBY and PMSBY through banking channel for the Insurance Year 2020-21

Madam/Sir,

In inviting reference to the subject cited above, I am to intimate you that it has been decided to cover eligible members of all Credit Linked WSHGs with Banks under PMJJBY and PMSBY. This will not only take care of social security of the WSHG members, but also will act as credit life cover. Therefore, we have instructed our District and Block level functionaries and community cadres to facilitate and coordinate with Bank Branches for enrolment of WSHG members under above social security schemes.

In this connection, for smooth enrolment of members into these schemes, we enclose herewith an advisory, which may kindly be circulated to all branches under your control with instructions to ensure coverage of WSHG members under the above Schemes. I am sure and confident of achieving one of the crucial objectives of taking care of social security needs of WSHG members, with the active support of Banks. This will also help Banks in achieving priority sector Insurance target.

This is for your information and necessary action.

Yours faithfully,

Advisory on Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY) and Pradhan Mantri Suraksha Bima Yojana (PMSBY)

1. MBK-CUM-FL-CRP of each GPLF has been assigned to coordinate with the Banks and WSHG members. Wherever Bank Mitra has been positioned, she will also facilitate.
2. Bank branches to provide the list of WSHG credit linked by them and whose numbers can be covered under PMJJBY & PMSBY.
3. Branches to give sufficient number of blank application-cum- consent forms to MBK for use by the WSHG members for enrollment into these schemes.
4. CRP in each GPLF will arrange to complete filling up of application cum consent forms by the WSHG Members for both the schemes and handover to MBK for submitting at the branch.
5. Each SHG will make a resolution authorizing the bank to credit Rs.342/- (premium amount) in their savings Bank account by debit to WSHG CC loan account. This will be treated as loans to members from SHG which members will pay back to the SHG. This will ensure sufficient balance in the Savings Bank account, to raise debits towards insurance premium.
6. On receipt of application cum consent form and resolution to credit premium in member's account from CC loan account, the bank will complete all formalities for enrolling them under the schemes.
7. On completion of enrolments in respect of all the WSHG members, Branch will hand over details in the enclosed format duly signed by BM and handover to the MBK as proof of enrollment.
8. Based on above certified format, OLM will create insurance data of WSHG members.
9. Further, branches may be advised to cover all members of WSHGs at the time of fresh credit linkage, if they are not already covered. The consent form and premium may be collected from each member. At the end of the month details may be sent to the BMMUs in the above format for record and updation of insurance Database.

1. Introduction

As per the Census 2011, about 83.3% people of Odisha are living in rural areas. The majority of the rural workforce of Odisha is engaged in Agriculture and allied activities and Agriculture sector still continues to be the major source of livelihoods for a major part of the population of the state. Also during the current situation of the COVID-19 pandemic, the state can leverage the potential of agricultural sector in reviving the economy. Usually, the lessee cultivators / sharecroppers who are landless or marginal cultivators do not have access to most of the assistance and facilities provided by Government. It is necessary to strengthen the farmers cultivating land as share croppers in the state and enable them to avail loan through formal credit institutions.

In 'SAMRUDHI' the new Agriculture Policy-2020 of Govt. of Odisha, one of the important measures of action is the promotion of a new model to facilitate sharecroppers by providing institutional credit. SAMRUDHI has envisaged many steps for providing all required support to the landless farmers, sharecroppers and oral lessees.

According to the estimation of the Agriculture Census 2015-16, there are 48.66 lakhs operational holdings in Odisha. Out of this about 9.05 lakhs operational holdings are of "leased in" tenancy status (2.83 lakhs are of "wholly leased in" and 6.22 lakhs are of "partly leased in" tenancy status). In brief about 18.6% of operational holdings are being operated by sharecroppers out of which 93.2% are small and marginal farmers.

Keeping in view the above, Government of Odisha in collaboration with NABARD has evolved an alternative mechanism for purveying credit particularly crop loan /Kisan credit card through formal credit institutions in Odisha to Lessee Cultivators/ sharecroppers. The mechanism envisages forming Joint Liability Groups (JLGs) as a strategic intervention and accessing bank credit thereby reducing the dependence of these groups of farmers on informal sources of credit. Accordingly, the scheme **"BALARAM" (Bhoomihina Agriculturist Loan and Resources Augmentation Model)** has been formulated.

2. Aims and Objectives of the Scheme

i. To augment flow of credit to farmers cultivating land as tenant farmers, oral lessees or share croppers who do not have proper title of their operational land holding, through formation and financing of JLGs.

ii. Formation of One lakh Joint Liability Groups of Lessee Cultivators / sharecroppers or oral lessees in the State covering 05 lakh such farmers over a period of 2 years which will serve their common interest regarding access to credit from formal financial sector.
iii. To extend collateral free loans to target clients through JLG mechanism.
iv. To execute the programme by close coordination of State Government, Banks and eligible farmers.

3. Project Holder

Department of Agriculture and Farmers' Empowerment, Government of Odisha will be the project holder and the scheme will be implemented under their overall supervision and guidance. Institute on Management of Agricultural Extension (IMAGE) has been declared as the Nodal Agency for implementation of "BALARAM" and the structural platform of Agricultural Technology Management Agency(ATMA) shall be leveraged for programme execution.

4. General features of JLG

A Joint Liability Group is an informal group comprising of 4-10 individuals coming together for the purpose of availing bank loan on individual basis or through group mechanism against mutual guarantee. The management of the JLG is to be kept simple with little or no financial administration within the group.

5. Criteria for membership

i. Members should belong to similar socio-economic status, background and environment carrying out farming and allied activities and who agree to function as a JLG. This way the groups would be homogeneous and organised by likeminded farmers/individuals and develop mutual trust and respect.
ii. The members should be residing in the same village/ area/ neighbourhood and should know and trust each other well enough to take up joint liability for group/individual loans.
iii. Members who have defaulted to any other formal financial institution, in the past, are debarred from the Group Membership.
iv. More than one person in the family should not be included in the same JLG.

Definition

Lessee cultivators /Sharecroppers *-Any person who cultivates an agricultural land of another person for the purpose of agriculture and allied activities on a consideration in cash or kind or both as per their mutual agreement.*

6. Critical factors in JLG approach

The success of JLG concept depends on several factors. However, following factors are critical -

i. The concept depends heavily on mutual trust within the groups and on peer pressure for the repayment of loans.
ii. The quality of group leadership is critically important for the sustainability of the group.
iii. The quality of group leadership is critically important for the sustainability of the group.

iv. The JLG exists only for the single purpose of expediting certain categories of loans. Generally they are not multifunctional groups.

7. Eligible Activities

All cropping activities (including Horticulture crops) are eligible under the scheme.

8. Major strategic steps of the Scheme

Proper identification of the borrowers and implementation of scheme through a dedicated nodal agency are crucial for success of the scheme. To address this issue, IMAGE, Bhubaneswar will act as Nodal Agency for implementation of the Scheme at State level. The implementation and monitoring of the Scheme will be taken up by Project Director, ATMA at District level and Block Agriculture Officer/AAO at Block level. The formation of JLGs of eligible landless farmers cultivating land as sharecroppers or oral lessees will be undertaken by Krushak Sathi (KS) of Department of Agriculture and Farmers' Empowerment at Gram Panchayat/ village level. The step-wise process of implementation of the Scheme would be as under:

i. Assignment of targets for formation of JLGs for a particular financial year to Krushak Sathi (KS) on gram panchayat basis by PD, ATMA /Block Agriculture Officer.

ii. Krushak Sathi will identify such eligible farmers/oral lessee in allotted Gram Panchayat who are not defaulters to any formal financial institutions and prepare list of such beneficiaries and share it with the local bank branches/PACS who have been assigned the villages/Gram Panchayat as per service area scheme in a specified format.

iii. Bank Branches/PACS will check the list and eliminate existing loanees /defaulters from the list.

iv. After receiving revised list from Bank branches/PACS, the Krushak Sathi will form JLGs in the villages/Gram Panchayats assigned to him as per guidelines, provide necessary hand holding support to the beneficiaries and help the JLGs in filling various forms / preparing documents to be submitted to Bank / PACS for availing loan.

v. Based on the application of the beneficiaries/JLGs regarding area of cultivation by them, the Village Agriculture Worker/Horticulture Extension Worker/Agriculture Overseer of the concerned Gram village/Panchayat will verify the details and prepare "**Certificate of Cultivation**" which will be countersigned by BAO/AAO at block level. The Certificate of Cultivation will provide/contain details of land under cultivation along with information about crops grown in a format specified in the guideline.

vi. Krushak Sathi will help JLGs in preparation of loan application and submission of the same along with Certificate of Cultivation to concerned Bank branch/ PACS for credit linkage.

vii. The Bank branch will issue KCC/crop loan to JLGs based on Certificate of Cultivation and calculate the eligible loan amount as per scale of finance of the district.

viii. Krushak Sathi will prepare detail information regarding status and progress of formation and credit linkage of JLGs and appraise the VAW/HEW/AO about the progress of the scheme.

ix. To bring transparency and better monitoring of the scheme, a dedicated portal for the scheme will be created by Department of Agriculture and Farmers Empowerment, Govt. of Odisha so that the data uploaded by Krushak Sathi can be viewed and shared with other stakeholders including Banks. However, till such time the portal is functional, manual format will be used for formation and credit linkage of JLGs.

x. Krushak Sathi will also build the capacity of the beneficiaries for prompt repayment of loan availed.

9. Institutional Structures to support the Scheme

State Level –Institute on Management of Agricultural Extension (IMAGE), Bhubaneswar an autonomous society under the Government of Odisha will act as Nodal Agency for implementation of the Scheme at State level. The scheme will be monitored and reviewed by them as per guidelines issued by Department of Agriculture and Farmers' Empowerment, Government of Odisha from time to time.

District Level – The implementation and monitoring of the scheme will be taken up by Project Director, Agriculture Technology Management Agency (ATMA) of each district of Odisha. ATMA will make an assessment of eligible beneficiaries and no of JLGs after the completion of activities mentioned in point (b),(c) and (d) of para 8 of these guidelines by Krushak Sathis.

Block Level - The implementation and monitoring of the scheme will be taken up by Block Agriculture Officer of each Block of Odisha. He will assign target to each Krushak Sathi for formation, nurturing and credit linking of JLGs in each Gram Panchayat of the District.

Gram Panchayat Level – Each Gram panchayat of Odisha will be entry point for implementation of the scheme. Krushak Sathi nominated by the concerned CDAO on behalf of Department of Agriculture and Farmers' Empowerment, Government of Odisha in each Gram Panchayat will be grass root level functionary for identification of eligible farmers, formation, nurturing and credit linking of JLGs as per targets assigned to them, under the supervision of the concerned VAW/HEW/AO.

10. Capacity building

NABARD, Odisha R.O., Bhubaneswar will conduct a State level workshop for officials of Department of Agriculture and Farmers' Empowerment, IMAGE and Banks involved in the scheme to familiarise all stakeholders with the details of the scheme so that state level units of different departments and banks can issue instructions to ground level implementing units to actively participate in the implementation of the scheme. Further, NABARD will also support in conducting such training programmes at district level to train District level officials, core team of ATMA, Banks or any other agency identified by the Department Agriculture & FE. The core team of ATMA at district level is expected to sensitise block level core team of ATMA, Banks and other stakeholders who in turn will train Krushak Sathi/Village Agriculture Worker (VAW)/ Horticulture Extension Worker (HEW)/Agriculture Overseer.

The broad components of the training include concept of JLG, steps for formation of JLGs, formats to be used in formation of JLGs, incentive structure for formation and credit linkage of JLGs, repayment, roles and responsibilities of the stakeholders including Banks etc. Some formats are also included in annexure for ready reference.

11. Use of technology

Department of Agriculture and Farmers' Empowerment, Government of Odisha will develop a dedicated portal (either web-based and/or app-based) to capture the data of JLG formed by KrishakSathi, generation of Certificate of Cultivation, monitoring of applications assigned to bank branches and sanction of loan and MIS for district/state level monitoring and review etc. Further, the database would be used for administration of interest subvention, input subsidy administration or any other benefits to the groups, if envisaged.

12. Certificate of cultivation

A **"Certificate of Cultivation " (CoC)"** shall be issued to the individual member of the " Joint Liability Group" that has been formed for cultivation of seasonal crops and availing crop loan from the financial institutions for the said activities. The following process shall be followed for issue of "Certificate of cultivation". The specimen copy of the Certificate of Cultivation is attached at **Annexure- I.**

In order to avail the "Certificate of Cultivation" the farmer has to submit an application in the prescribed format (**Annexure-II**) to the Krushak Sathi of the concerned Gram Panchayat.

i. Upon receipt of application, the Krushak Sathi will visit the crop field of the applicant and verify the details of the field.
ii. He/ she should complete this verification within 7 days of receipt of application.
iii. After field verification, the Krushak Sathi will record his/her observation in the same form (overleaf) and submit it to the Village Agricultural Worker/Agriculture overseer who will countersign the verification form and submit the same to the concerned Assistant Agriculture Officer (A.A.O) within 3 working days.
iv. Thereafter the Assistant/Block Agriculture Officer (B.A.O) will issue the CoC to the eligible farmer within 3 working days.
v. The VAW/A.O should make at least 10% verification of the field on random basis and if necessary the RI/RS may check the particulars for accuracy.
vi. The A.A.O should make at least 5% verification of the field on random basis
vii. The A.A.O should maintain details of all the CoCs issued in a season.
viii. The CoC will only be used for the purpose of availing crop loan from the financial institution under **"BALARAM"** scheme and no other purpose. In case of default by the sharecroppers(to whom CoC has been issued) there shall be no liability on the owner.
ix. Presently the process of issue of CoC will be done manually and subsequently the entire process shall be digitized in the phased manner.

13. Credit assessment by Banks and sanction of loans to JLGs

13.1 Purposes of credit - The finance to JLG through KCC is expected to be a flexible credit product addressing the credit requirements of its members which includes crop production, consumption, marketing and other productive purposes.

13.2 Credit Assessment - The JLGs under the supervision of Krushak Sathi would prepare a credit plan for its individual members and an aggregate of that is submitted to the banks along with certificate of cultivation.*(A format for preparation of credit plan is given as annexure to this guideline)* Banks may evolve simple loan application for this purpose. For the convenience of the Banks a format is enclosed herewith for their ready reference. The individual members of JLG would be eligible for bank loan/KCC after the bank verifies the individual members' credentials if required. The financing bank branches/PACS can access the list of JLGs along with details of members assigned to their branches in the portal and self monitor the process of submission, sanction and disbursement of loan.

13.3 **Documents -** The documents to be obtained from JLGs promoted under the scheme include “Introduction form”, “application cum appraisal form”, “mutual guarantee & DPN”. Set of specimen forms of each of these is enclosed. Banks may make use of the forms with suitable modifications if necessary.

13.4 Financing Model

13.4.1 Model A

Individual Financing - Each member may be provided an individual KCC loan. The financing bank could assess the credit requirement, based on the crop to be cultivated, available cultivable land/activity to be undertaken and the credit absorption capacity of the individual. Similar assessment of credit need would be done in case of fishery activity. All members would jointly execute a loan document, making each one jointly and severally liable for repayment of all loans taken by all individuals belonging to the group.

The mutual agreement needs to ensure consensus among all members about the amount of individual debt liability that will be created including liability created out of the individual loan. Any member opting out of group or joining the group will necessitate a new loan agreement, to be kept on record in the bank branch.

13.4.2 Model B

Group Mode Financing - The group would be eligible for accessing one loan, which could be combined credit requirement of all its members. The credit assessment of the group could be based on the available cultivable area of each member of the JLG/ activity to be undertaken for farm sector or off-farm sector. All members would jointly execute the document and own the debt liability jointly and severally.

The mutual agreement is needed to ensure consensus among all members about the amount of individual debt liability that will be created. Any change in composition of the group, will lead to a new document being registered by the bank branch.

The Group Members also have to enter into the interse-agreement in stamp papers as required for a general power of attorney in the Proforma at **Annexure-VI (A,B,C).** The agreements should be executed in the non-judicial stamp paper of Rs 100 each.

In order to avail financing by the PACS, the JLG has to deposit the minimum share capital as envisaged in the Bye-Law of the PACS. No further share linkage as percentage of the loan shall be taken from the Group or members of the Group.

Further, in case of financing by the Cooperative Banks, the loan advanced to the group shall be treated as group loan and shall be disbursed to the individuals by credit to their Savings Bank Accounts mentioned with the concerned Cooperative Bank. However, the PACS shall maintain loan accounts of the individual members of the JLGs in subsidiary accounts to facilitate recovery of loans as and when due.

13. 5 Loan limit

Considering that the loan/KCC to be granted is against the mutual guarantee offered by the group, the Banks may follow its own criteria for financing of JLGs and providing them KCC based on certificate of cultivation. However, an amount of Rs.1.60 lakh per JLG may be sanctioned, keeping in view the scale of finance and type of activity being undertaken by the group both under Models A & B.

13.6 Rate of interest

Banks may decide the rate of interest to be charged to JLGs for KCC and other Agriculture loans as per RBI guidelines. However, banks may consider providing incentives for prompt repayment to JLGs, as applicable.

13.7 Margin and Security Norms

No collaterals may be insisted upon by the banks against their loans to JLGs. It may however, be ensured that the mutual guarantees offered by the JLG members and certificate of cultivation are kept on record. Margin as per the usual norms may be applied.

14. Interest Subvention/Rebate on prompt repayment

The State Government will extend the benefits of interest subvention/ rebate on prompt rebate to the farmers, on similar terms and conditions as envisaged in the existing guidelines for KCC.

15. Credit to JLGs to form normal business activity under Priority Sector

As the programme is intended to benefit farmers cultivating lands who may not have adequate collateral to offer to avail of bank loan in their individual capacity, lending to JLGs may be treated as direct agricultural advances under priority sector advances segment. Banks may include lending to JLGs in their corporate plan and also in the training schedule of officers/staff.

16. Personal accident insurance

Banks may consider covering individual members of JLG under personal accident insurance.

17. Crop insurance scheme

The farmers of JLG group may be covered as loanee farmers under Pradhan Mantri Fasal Bima Yojana, if they give their consent.

18. Repayment and Recovery Mechanism

The group mode of financing would provide the social collateral that would help the financial institutions in recovering their loans. The Certificate of Cultivation/ Loan Eligibility Certificate will identify the farmer who is really taking up the activity and defaults can be tracked efficiently. Also a dedicated portal would gather all the information about the borrowing members. The Krushak Sathi will act as conduit for building sensitization among the beneficiaries.

The repayment modality of the loan shall be same as crop loan sanctioned under Kisan Credit Card (KCC) Scheme for Kharif& Rabi seasons.

19. Incentive for promotion of JLGs by NABARD

NABARD will provide grant assistance to Krushak Sathi through Project Director, ATMA of each district. Under the scheme, Project Director, ATMA will act as Joint Liability Promoting Institutions (JLPIs) for formation, nurturing and financing of new JLGs. For the purpose, Project Director, ATMA will submit application through Department of Agriculture and Farmers' Empowerment, Government of Odisha to NABARD, R.O., Odisha to sanction them project for promotion and credit linkage of JLGs in their district as JLPI. After sanction of the project, Project Director, ATMA will be eligible for getting grant assistance from NABARD for formation, nurturing and credit linkage of JLGs @ Rs. 2000/- per group as per extent guidelines of NABARD. However, the incentive shall be linked with the financing of the JLGs and the incentive shall be released in three instalments as indicated below:

- First instalment of Rs.1000/- would be released after disbursement of loan by the bank.
- Second instalment of Rs.500/- would be released after one year from the date of loan disbursement subject to the certification by the financing bank that the loan repayment is regular/without default by all the individual members of the JLG.

- Third instalment of Rs.500/- would be released after the end of second year from the date of loan disbursement subject to similar certification from financing bank as above. In case of short term loans, it will be available if the facility has been renewed by the bank during the year and is regular.

20. Monitoring and review mechanism

Considering the significance of effective implementation and better monitoring mechanism for success of a scheme, there is a well-structured, institutionalized three tired structure at State level, District level and Block level for effective implementation and monitoring of formation and promotion of JLGs under the scheme.

20.1. State Level

To properly coordinate and monitor the progress in the implementation of the programme and also provide policy guidelines for better outcome of the scheme the existing **Sub-Committee of SLBC for Agriculture Credit** will provide/conduct the review of the scheme on quarterly basis**.** In each quarter the SLBC Sub-Committee reviews the Credit flow to Agriculture and allied sectors including dairy, fishery, poultry and animal husbandry etc. Therefore in each SLBC Sub-Committee meeting the progress of the **'BALARAM'** scheme will be reviewed. Director, IMAGE will be invited to each such review meeting.

20.2. District Level

No new committee is required to be formed at district level. The existing ATMA Governing Board (GB) is a policy making body which provides guidance, review and steers the progress and functioning of ATMA. The GB is chaired by the District Collector. In order to synergize the efforts of ATMA in mobilising the lessee cultivators/ share croppers, the existing ATMA Committee shall closely and periodically review the implementation including constraints faced by Krushak Sathis / JLGs.

20.3. Block level

Similarly, monitoring of the scheme at the Block / Cluster Level and effective coordination among the stakeholders are critical for real success of the scheme and benefit to the JLG members as envisaged. The existing **Block Technology Team (BTT)** will coordinate the implementation of the scheme at Block level. It will provide the hand holding support to Krushak Sathi and JLG members. The representative of the financial institutions, who are members of the BLBC (Block Level Bankers Committee), may be invited to the meeting of the BTT while monitoring the implementation of 'BALARAM'.
