Sub: Pradhan Mantri Fasal Bima Yojana (PMFBY) - Implementation during Kharif 2021 and Rabi 2021-22 Crop Season

As per revamped guidelines of Pradhan Mantri Fasal Bima Yojana (PMFBY) and decisions taken in the 56th meeting of State Level Coordination Committee on Crop Insurance (SLCCCI) held on 25.06.2021, the State Government have been pleased to implement PMFBY during Kharif 2021 and Rabi 2021-22 Crop Season in the State.

1. Administrative Approval of the Government of India, Ministry of Agriculture & Farmers Welfare for implementation of PMFBY has been communicated in their letter No. 13015/02/2015-Credit-II dated 28.02.2020.

2. Coverage of Farmers

All farmers including share croppers and tenant farmers growing the notified crops in the notified areas are eligible for coverage. However, farmers should have insurable interest for the notified/ insured crops. The non-loanee farmers are required to submit necessary documentary evidence of land records prevailing in the State (Records of Right (RoR), Land Possession Certificate (LPC) etc.) and/ or applicable contract/agreement details/ other documents notified/ permitted by State Government.

The Self Declaration Certificate shall be treated as the substitute of "Sowing Certificate" for non-loanee farmers.

i. Farmers availing the Kisan Credit Card/ Crop loan /Loanee farmers

The scheme is optional both for loanee and Non loanee farmers.

a). The scheme is optional for all farmers including farmers who have been sanctioned Short Term Seasonal Agricultural Operations (SAO) loans / Kisan Credit Cards(KCC) for the notified crops from financial institutions (here in after referred to as loanee farmers).

b) Farmer whose KCC/ crop loan has become sub-standard as defined and as per prevailing practices of the concerned Banks/Govt. regulator shall not be considered as a loanee farmer. However bank branches may facilitate such farmers for enrolment as non-loanee farmers.

c) Merely, sanctioning of crop loan against other collateral securities including fixed deposits, gold/jewel loans, mortgage loans etc. without having insurable interest of the farmer on the insurable land and notified crops shall not be covered under the Scheme.

ii. Non-loanee Farmers.

- a) The Scheme is optional for all farmers including Non-loanee farmers.
- b) The insurance coverage will strictly be equivalent to sum insured/ hectare, as defined in the Govt. notification or/ and on National Crop Insurance Portal multiplied by proposed sown area for notified crop for enrolment.
- c) Special efforts shall be made to ensure maximum coverage of SC/ ST/ Women farmers under the scheme. Panchayat Raj Institutions (PRIs) may be involved in extension and awareness creation amongst farmers and obtaining feed-back of farmers about implementation of the Scheme.
- d) The Insurance companies will maintain separate data of such non loanee farmers covered by them and enter the said data on the portal as per seasonality discipline. They shall be liable for payment of claims to such farmers.

Existing loanee farmers can opt-out from the scheme by submitting requisite declaration to concerned bank branches any time during the year but at least by 7 days prior to the cut off date for enrolment of farmers for the respective seasons. All those farmers who do not submit the declarations within due time line would be essentially covered.

Bank branches shall conduct special awareness drive among existing loanee farmers in this regard. Bank branches shall also be required to maintain proper records of farmer declaration.

All farmers who approached banks for renewal/ fresh issue of Kisan Credit Cards (KCC) shall be asked by the respective bank branches to convey their willingness to participate in the scheme and will be enrolled accordingly by the concerned bank branches on National Crop Insurance Portal.

iii. Aadhaar has been made mandatory for availing Crop insurance. Therefore, all Enrolment Agencies are advised to mandatorily obtain Aadhaar number of their farmers.

Farmers not having aadhar ID may also enrol under PMFBY subject to their enrolment for Aadhar and submission of proof of such enrolment as per Notification No.334 dt 8th February,2017 issued by GOI under Section 7 of Aadhar Act 2016

(Targeted Delivery of Financial and other Subsidies, Benefits and Services). Copy of the notification may be perused on www.pmfby.gov.in. This may be subject to further directions issued by Govt. of India.

All banks have to compulsorily take Aadhaar/Aadhaar enrolment number as per notification under Aadhaar Act before sanction of crop loan/KCC under Interest Subvention Scheme. Hence, the coverage of loanee farmers without Aadhaar does not arise and such accounts need to be reviewed by the concerned bank branch regularly.

3. Clusters and Implementing Agencies: On the basis of the recommendations of the National Remote Sensing Centre (NRSC), Hyderabad, 30 districts of the State have been grouped into six clusters for implementation of PMFBY during the year 2021-22 (both in Kharif and Rabi season) based on risk index and area coverage. Three Insurance Companies have been selected for the six clusters through a competitive bidding process on the basis of weighted average premium to implement PMFBY during the year 2021-22 (both in Kharif and Rabi season) in the State as indicated below:

Clusters and Insurance Companies allotted both for Kharif-2021 and Rabi 2021-22

| | | Jagatsinghpur | Kandhamal | Dhenkanal | Angul |
| | | | Boudh | | Jharsuguda |

4. Coverage of Risks

The following stages of the crop risks leading to crop loss shall be covered under the Scheme.

(a) Prevented Sowing/Planting/ Germination Risk.

Insurance coverage to farmers shall be provided in case of wide spread incidence of eligible risks affecting crops in more than 75% of area sown in a notified unit at early stage, but not later than 15 days from cut off date for enrolment, leading to total loss of crop or the farmers are not in a position to either sow or transplant the crop.

(b) Standing Crop (Sowing to Harvesting): Comprehensive risk insurance shall be provided to cover yield losses due to non- preventable risks, viz. Drought, Dry spells, Flood, Inundation, widespread Pests and Disease attack, Landslides, Fire due to natural causes, Lightening, Storm, Hailstorm and Cyclone.

(c) Post-Harvest Losses due to unseasonal rains etc: Coverage shall be available only up to maximum period of two weeks from harvesting, for those crops which are required to be dried in cut and spread / small bundled condition in the field after harvesting against specific perils of Hailstorm, Cyclone, Cyclonic rains and unseasonal rains.

(d) **Localized Calamities:** Loss/ damage to notified insured crops resulting from occurrence of identified localized risks of hailstorm, landslide, Inundation, cloud burst and natural fire due to lightening affecting isolated farms in the notified area.

On Account Payment of Claims due to Mid-Season Adversity: Insurance cover will be provided to the farmers to provide immediate relief in case of adverse seasonal conditions during the crop season viz. floods, prolonged dry spells, severe drought etc., wherein expected yield during the season is likely to be less than 50% of **Normal yield** (Simple average of preceding six normal seasons). However if adversity occurs within 15 days before the normal harvest time, this provision will not be invoked.

For coverage of all risks the revised operational guidelines of PMFBY shall be final.

5. The rainfall data will be obtained from two sources namely, Automatic Rain Gauges (ARG) of Indian Meteorological Department (IMD) (**Annexure- I**), Manual Rain Gauges of SRC (**Annexure –II**).

6. **General exclusions**-Losses arising out of war and nuclear risks, malicious damage and other preventable risk shall be excluded.

7. Detail Loss assessment procedure will be as per the revamped operational guidelines of PMFBY.

8. **Indemnity level**

The indemnity level for all crops will be 70% both for Kharif 2021 and Rabi 2021-22.

9. **Calculation of Threshold Yield-** Threshold Yield (TY) shall be calculated on fixed methodology basis and will be notified separately.

10. **Sum Insured /Coverage Limit**

Sum Insured per hectare for both loanee and non-loanee farmers will be same and equal to the Scale of Finance as notified by Cooperation Department Notification No. 4950 dtd. 15.06.2021 . **No other calculation of Scale of Finance will be applicable.** Sum Insured for individual farmer is equal to the Scale of Finance per hectare multiplied by area of the notified crop proposed by the farmer for insurance. 'Area under cultivation' shall always be expressed in 'hectare'. (There should not be any deviation in this regard).

The District-wise, Crop-wise Scale of Finance (In Rs. /Acre) for **Kharif – 2021 and Rabi 2021-22** are annexed at **Annexure-III**.
