He acknowledged the state government's critical support in achieving inclusive growth and uplifting marginalized sections of the society. He also congratulated all banks for their sincere efforts in maintaining a healthy CD ratio of **78.81%**, which is higher than many other states in the country.

He informed that all banks have achieved **72.33%** under the Annual Credit Plan as on 31st December, 2022 with a total Priority sector loan disbursement of Rs.**97,407.85 crore**, against the annual target of Rs.1,34,664.87 Crore. ### Address by Executive Director, RBI, Shri. Anil Kumar Sharma

The Executive Director of RBI, Shri. Anil Kumar Sharma, highlighted the importance of the SLBC forum in coordinating and expanding banking services to unbanked areas for faster economic development. priority sector lending. He pointed out the progress made in making the economy more formal and expanding banking services to unbanked areas. The Executive Director also spoke about the importance of creating and supporting Farmer Producer Organizations (FPOs) and leveraging technology to digitize land records and foster availability of loans.

Shri. Sharma also noted the challenges faced by MSMEs in accessing credit, technology, and markets, but highlighted their contribution of more than 45% of exports and more than 30% of GDP. He discussed various issues concerning the MSME sector, including the informality of small units and the need to bring more units into the formal sector.

Shri Sharma highlighted the importance of digital infrastructure in overcoming access barriers, and he mentioned the creation of Common Financial Literacy Centers (CFLs) to cover the entire country in the ratio of one CFL to three blocks by 2024. ### **AGENDA NO. 7**

### Other Issues

7.1 Non-remittance of the attached money from the frozen bank accounts of different Financial Establishment by the Banks to the account of Competent Authorities after the ad-interim attachment order made absolute by the Ld. Designated Court.

The Hon'ble Designated Courts have declared the ad-interim attachment orders of the Government pertaining to 20 fraudulent financial establishments absolute and directed the concerned Competent Authorities to distribute the attached properties of those companies among the depositors. However, the banks are not remitting the attached money lying in their frozen bank accounts to the Bank accounts of the concerned ADM & Competent Authorities, despite repeated requests. The SLBC has requested all banks to expedite the process of remitting the attached amount to the accounts of the concerned authorities so that they can initiate action for refund of deposit to the duped depositors of the companies, as per the orders of the Hon'ble Designated Courts.

The Joint Secretary, Finance informed that after several reminders, 24 banks have not remitted Rs.6.76 Crores. Pr. Secretary, Finance, informed that if a competent authority has instructed remittance of the balance in frozen accounts, bank should act on the order.

Odisha. So far, with joint efforts, a total amount of Rs.1.94 Crores has been recovered in 239 accounts.

The banks in the State need to focus on stimulating recovery measures and proper monitoring with support from the State Government machinery.

### 7.4 Bunakar Assistance for Livelihood & Income Augmentation (BALIA)

Directorate of Textiles, Odisha is facing problems

- Many branches of Sambalpur District Central Co-operative Bank, Bargarh are not receiving loan application forms from the weavers under BALIA scheme.
- ➤ Banks are charging Rs.400/- per application for verification of CIBIL score of the beneficiary.
- ➤ Banks have kept the CIBIL score of minimum 750 for consideration of sanction of loan which is quite high in case of Weavers and ancillary workers.
- ➢ Berhampur Co-operative Central Bank, Chikiti branch refused and returned the individual loan application of 6 nos. of weavers under BALIA scheme on the ground that the loan can be disbursed through the member society which deviates the guideline of BALIA scheme. BCC Bank, Berhampur is of the views that it may create problem to collect the repayment of loan amount from individual weavers.

Principal Secretary, Agriculture informed that the scheme is for weavers linked to inter-subvention and mainly implemented through the DCCBs of OSCB. He advised the bank to take up the issues separately and resolve them.

# 7.5 Applications for attachment of property under Section 14 of the SARFAESI Act pending with District Magistrates.

Rs. 347.46 crore from different banks are pending with district magistrates for attachment of property under this section. Finance Department has advised all Collector & District Magistrates to clear the pending applications within the prescribed time period. Lead District Managers are requested to review the position of pending cases in every DCC meeting and pursue the matter with District Authorities for immediate disposal. Banks have reported instances where police authorities are providing less support for attachment of property under Section 14, despite permission from District Magistrates. The concerned department is requested to issue necessary instructions to the Police Authorities to provide full support to banks for attachment of property under this section.

# 7.6 Seeding of bank-accounts with Aadhaar for ST, SC, OBC/SEBC & EBC Students for availing of Pre-matric / Post-Matric Scholarship.

As per the instruction of Govt. of India, Government of Odisha has mandated that scholarship payments for ST, SC, OBC/SEBC & EBC students can only be made to Aadhaar-seeded bank accounts. However, it was found that one-third of applicants did not have Aadhaar-seeded bank accounts, which resulted in the rejection of almost 2 lakh applications. To address this issue, Finance Department has shared granular data with all banks to facilitate the Aadhaar seeding process for scholarship beneficiaries. In a meeting with the banks on January 24, 2023, the Finance Department instructed all banks to prioritize the matter and ensure that Aadhaar seeding is completed for all student accounts in a mission-mode approach.

# 7.9 Financing against pledge of e-NWRs (Electronic-Negotiable Warehouse Receipts).

The Warehousing Development & Regulatory Authority (WDRA) has introduced a system of electronic Negotiable Warehouse Receipts (eNWR), which are issued by two repositories, National E-Repository Limited (NERL) and CDSL Commodity Repository Limited (CCRL), for creating and managing eNWRs. The eNWRs are eligible for pledge financing, and banks can view and secure them on the repository system. The Indian Banks' Association has also advised banks to consider financing only against the e-NWRs issued by warehouses registered by WDRA. RBI has increased the PSL limit for loans against NWRs/eNWRs from Rs.50 lakh to Rs.75

lakh per borrower, to encourage the use of NWR/eNWR issued by regulated warehouses as a preferred instrument for farmers to avail finance. Banks are urged to follow the guidelines and extend pledge finance to applicants wanting to pledge e-NWRs.

### 7.10 Digitization of land records

The digitization of land records in Odisha has been a key step towards creating a digital land record database, which is linked to banks and financial institutions. This has enabled the creation of online charges in digital land records, making the processing and sanctioning of loans by banks a quicker and more efficient process. Bhulekh Odisha is an online portal that has been created for keeping the land records of citizens of the state of Odisha. The digitization of land records in Odisha was done in 2008 as part of the National Land Records Modernization Programme (NLRMP) of the Central Government.

### 7.11 Miscellaneous

### 7.11.1: Registration Conveyance Deed

The registration of conveyance deeds for real estate projects is currently not being allowed due to a court case in Orissa. As a result, banks are having difficulty in sanctioning and disbursing housing loans, and the inflow of housing loan files from builder projects is being badly hampered. The state government is requested to intervene in the matter for an early resolution.

### 7.11.2: Registration of MOTD

Many banks in the state are not registering Memorandum of Title Deeds (MOTD), increasing the risk of security dilution. All banks are advised to issue necessary guidelines to their branches for the registration of MOTD with the registering authority. The state government has been requested to reduce the charges for MOTD and to enable online charge creation for banks.

### 7.11.3: NOC for transfer of land from financing banks

Banks have requested the state authorities to ensure that no transfer of land mortgaged to a bank should be allowed/registered without an NOC from the bank/charge release letter from the bank.

### 7.11.4: State Recovery Act (OPDR)

The State Recovery Act (OPDR) mechanism should be strengthened to ensure effective recovery of bank's overdues, so that banks will not be forced to settle the account through its compromise/OTS scheme with sacrifice based on merits of each case.

### 7.11.5: Functioning & Timely conduct of DCC/DLRC

The RBI guidelines and Lead Bank Scheme require that the DCC and DLRC meetings should be conducted at quarterly intervals within stipulated time without being rescheduled a number of times. DCC meetings should be convened by the Lead District Managers at quarterly intervals. DCC should give adequate feedback to the SLBC on various issues that need to be discussed on a wider platform, so that adequate attention can be given at the State Level. LDMs should be strengthened with adequate manpower and appropriate infrastructural support such as separate office space & technical infrastructure to be the focal point for the successful

implementation of the Lead Bank Scheme. The Controlling Heads of lead banks are requested to provide the manpower & infrastructure support to the LDMs.

### 7.12: Recent policy changes by Central Government, RBI & NABARD

The Reserve Bank of India has modified the Interest Subvention Scheme (ISS) for short-term loans for agriculture and allied activities availed through Kisan Credit Cards (KCC) during the financial years 2022-23 & 2023-24 and issued a circular no. RBI/2022-23/139, FIDD.CO.PSD.BCNo 13/05.02.001/2022-23 dated 23.11.2022.

# 7.13: Property Cards under SVAMITVA Scheme – validity as instrument for property mortgage.

The SVAMITVA Scheme aims to provide an integrated property validation solution for rural India. The demarcation of inhabited land in rural areas would be done using drone surveying technology, with the collaborative efforts of the Ministry of Panchayati Raj, State Panchayati Raj Department, State Revenue Departments, and Survey of India. The SVAMITVA Scheme would provide the 'Record of Rights' to village household owners possessing houses in inhabited rural areas, which would enable them to use their property as a financial asset for taking loans and other financial benefits from banks. The Ministry of Panchayat Raj, Government of India, has provided a note on the validity of property cards under the SVAMITVA Scheme as an instrument for property mortgage.

### 7.4 BUNAKAR ASSISTANCE FOR LIVELYHOOD AND INCOME AUGMENTATION (BALIA)

Directorate of Textiles, Odisha is facing the following problems relating to implementation of BALIA scheme-

- Many branches of Sambalpur District Central Co-operative Bank, Bargarh are not receiving loan application forms from the weavers under BALIA scheme.
- > Banks are charging Rs.400/- per application for verification of CIBIL score of the beneficiary.
- ➤ Bank has taken the CIBIL score of minimum 750 for consideration of sanction of loan which is quite high in case of Weavers and ancillary workers.
- > Berhampur Co-operative Central Bank, Chikiti branch refused and returned the individual loan application of 6 nos. of weavers under BALIA scheme on the ground that the bank is insisting to disburse loan to the weaver members through the member society which deviates the guideline of BALIA scheme. BCC Bank, Berhampur is of the views that it may create problem to collect the repayment of loan amount from individual weavers.

Finance Department vide letter no. 18413-FIN-PUIF-CASE-0004-2020/F dated 21.07.2022 has advised all Collector & District Magistrates to take expeditious steps for clearing all the pending applications u/s 14 of the SARFAESI Act, 2002 well within the prescribed time period.

All Lead District Managers are requested to incorporate in the Agenda on pending SARFAESI applications, if not done, and critically review the position of pending cases in every DCC meetings and to pursue the matter with the District Authorities for immediate disposal of the same as the number of pending SARFAESI applications is gradually increasing.

Banks has also informed that in many instances, although District Magistrate issued permission order for attachment of property under section 14 of SARFAESI Act, the police authorities are giving less support to banks for attachment of property of the defaulter. We therefore, request the concerned department to kindly issue necessary instructions to the Police Authorities to provide full support to banks for attachment of the property under section 14 of SARFAESI Act.

### 7.6 Registration Conveyance Deed

Due to an ongoing Court Case in the High court of Orissa at Cuttack, in the matter of "registration of conveyance deed in favour of the Association of allottees for the common area in a real estate project" execution of registered agreement to sale, registration of sale deeds for purchase of flats (both for new and resale flats) is not being allowed for the time being at the registering offices. Banks are facing difficulty in sanction & disbursement of housing loans. Under this scenario, inflow of housing loan files from builder projects ,branches for sale transaction of flats is being badly hampered.

State Government is requested to intervene in the matter for its early resolution.

### 7.7 Registration of MOTD

It is observed that Memorandum of Title Deed (MOTD) is not being done by many banks in our State. In order to minimize the risk of security dilution, all banks should issue necessary guidelines to their branches for registration of Memorandum of title deeds (MOTD) with the registering authority.

State Govt. is requested to reduce the charges for MOTD and to enable online charge creation for banks.

### 7.8 NOC for transfer of land from financing banks

Currently, the land transfer transactions (sale / transfer / mortgage etc.) are registered at registrar office even though the agriculture land is mortgaged to a bank. In view of this, banks request the State Authorities to ensure that no transfer of land should be allowed/registered which is mortgaged to Bank, without No objection from bank / charge release letter from bank.

### 7.9 State Recovery Act (OPDR)

The mechanism of State Recovery Act (OPDR) may be strengthened to ensure effective recovery of bank's overdues, so that banks will not be forced to settle the account through its compromise/OTS scheme with sufficient sacrifice based on merits of each case.

### 7.10 Functioning & Timely conduct of DCC/DLRC

We request all LDMs to follow the guidelines as per the RBI circular while convening the DCC/DLRC meetings and it should always be conducted well before the scheduled SLBC Meeting. The unresolved issues may please be shared with SLBC for discussion in the forthcoming SLBC Meeting.

We also request State Government to advise all Collectors and District Magistrates to extend timely support and co-operation to the Lead District Managers & ensure holding the DCC/DLRC meetings separately, as per the RBI guidelines.

### 7.11 Strengthening of LDMs

As the effectiveness of the Lead Bank Scheme depends on the dynamism of the District Collectors and the Lead District Managers (LDMs), with supportive role of the Regional/Zonal Office, the office of LDMs should be sufficiently strengthened with appropriate infrastructural support being the focal point for the successful implementation of the Lead Bank Scheme.

Apart from the provision of a separate office space, technical infrastructure like computers, printer, data connectivity, etc. which are basic necessities for LDMs to discharge their core responsibilities along with adequate manpower may be provided to LDMs' Office without exception.

Controllers of the Lead Banks are requested to provide adequate staff and other infrastructure facilities to strengthen the LDM's office.

### 7.12 Recent Policy Changes

RBI - Modified Interest Subvention Scheme for Short Term Loans for Agriculture and Allied Activities availed through Kisan Credit Card (KCC) during the financial years 2022-23 and 2023-24

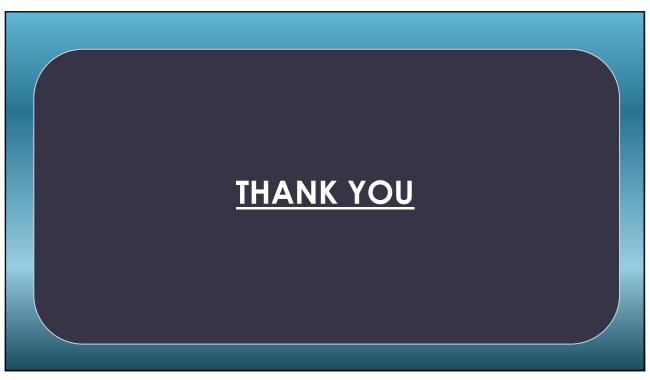

The Reserve Bank of India, Central Office, Mumbai vide notification no. RBI/2022-23/139 dated 23.11.2022 informed that Government of India has approved the continuation of the Interest Subvention Scheme (ISS) with modification for the financial years 2022-23 and 2023-24.

### 7.13 Property Cards under SVAMITVA Scheme – validity as instrument for property mortgage.

The SVAMITVA Scheme, launched by the Hon'ble Prime Minister in April 2020, aims to enable demarcation of inhabited land in rural areas using drone survey methods. The scheme aims to provide an integrated property validation solution for rural India, which will allow village household owners to use their property as a financial asset for taking loans and other financial benefits. The pilot phase of the scheme has covered about 40,000 villages in several states, and the SLBC has taken up the matter with the Panchayat Raj Department in Odisha to implement the scheme. The state government is requested to take necessary steps for the implementation of the scheme so that it can be communicated to the Department of Financial Services, Ministry of Finance, Government of India, and RBI, Central Office, Mumbai.
