Expanding and Deepening of Digital Payments Ecosystem 3.0

Standard Operating Procedure

1. Objective of the programme:

To enable every individual in the identified districts to make/ receive payments digitally in a safe, secure, quick, affordable, and convenient manner through provision of necessary digital infrastructure and literacy to handle such transactions.

2. Identification and allotment of the districts:

Cuttack and Bolangir were identified for 100 per cent digitalisation in the pilot phase. Ganjam and Sambalpur have been identified for 100 per cent digitalisation in the next phase. Govt. of Odisha aspires to make all the districts digital by this financial year. In this connection, 11 districts i.e., Mayurbhanj, Bargarh, Puri, Gajapati, Balasore, Koraput, Sonepur, Khordha, Dhenkanal, Kalahandi and Keonjhar have been identified for 100 per cent digitalisation.

3. Overall approach towards extending digital footprint in identified districts:

A three-pronged approach may be considered for digitally enabling the identified districts (i) coverage of individuals and businesses through provision of digital modes of payment; (ii) creation of necessary digital infrastructure for handling transactions; and (iii) spread of digital financial literacy among individuals and businesses for encouraging them to adapt digital modes of payment.

4. Important Steps in Implementation of Digital District Programme

(a) Freezing of total eligible accounts (savings and current accounts):

The state heads of the banks operating in the identified districts will coordinate with their respective HOs for freezing total eligible accounts (savings and current accounts) as on **March 31, 2023** as per the laid down criteria and forward the same to the SLBC for effective monitoring.

(b) (i) Identification and on-boarding of merchants/ traders/ businesses/ utility service providers:

The merchants/ traders/ businesses/ utility service providers which may be digitally covered through provision of payment options such as POS, QR Code, etc., will be identified through a field level assessment/ survey in the identified districts, to be conducted by the SLBC and the Nodal Banks with necessary support from all the partner banks. Following identification of

merchants/ traders/ businesses/ utility service providers, bank branch-wise targets will be allocated by the SLBC and the Nodal Banks to all LBS for member banks for on-boarding targeted entities, based on proximity from branches and on-going banking relations with respective bank branches.

(ii) Creation of necessary digital infrastructure:

All the banks will create necessary infrastructure to facilitate digital transactions by ensuring provision of alternate digital channels like Net Banking, Mobile Banking, Debit Cards, POS, QR Codes etc., to their eligible individual as well as business account holders as per the extant guidelines.

(c) Financial Literacy and Awareness:

(i) In the identified districts, rural branches and FLCs will conduct Special Financial Literacy Camps on Digital Payments every month or more frequently to create awareness on digital banking. CFLs will organise at least 4/5 camps in a month only for merchants/ traders/ businesses/ utility service providers with special emphasis on adaption of digital payments and report the same to RBI, Bhubaneswar. The LDMS and the BLBC conveners in the identified districts will organise awareness camps in all bank branches for their customers as well as non-customers for making them digitally aware. All the banks will encourage their customers to do transactions in digital mode and organise branch-wise weekly campaigns to bring all their customers onto the digital platform. RBI will also conduct awareness camps in the identified districts.

(ii) A Field Level Financial Literacy Event (FLFLE) for street vendors, small traders, etc., will be conducted by RBI in the identified districts to educate them on digital payments and safe digital banking practices.

(d) Monitoring:

(i) Nodal Bank and Partner Banks:

The bank to which the identified district(s) has/have been allocated may act as the Nodal Bank and ensure implementation of the programme in the district (s). All the other LBS for member banks will act as Partner banks. Nodal banks will form a committee to work out strategies for digital coverage so that the instructions issued by RBI and the SLBC can be disseminated to all the bank branches of the identified districts.

(ii) Identification of Nodal Officers:

For effective monitoring of the project, all the Nodal banks and the Partner banks having operations in the identified districts will identify Nodal Officers at district level for issuing instructions to their bank branches and ensuring that each bank branch has its account wise pendency details in terms of

eligible savings and current accounts. These banks will also identify Nodal Officers at the SLBC level for collecting monthly progress reports and issuing any clarification required by banks. These Nodal Officers will lead efforts towards spread of digital financial literacy, resolve ground level issues impeding the effective implementation of the programme in the districts, conduct review meetings every month or more frequently, and ensure timely submission of necessary data as per extant guidelines.

(iii) Development of Monitorable Action Plans (MAPs):

To ensure effective monitoring of progress on monthly basis, bank-wise MAPs may be designed by the SLBC and the Nodal banks to ensure that all the banks achieve their targets by **June30, 2023**. The MAPs and monthly progress thereon will be shared by the Nodal Banks with the SLBC and the RBI. Based on the monthly review, the underperforming banks will be identified, and the matter will be taken up by the SLBC, Nodal Banks, and the RBI with the district and state Nodal Officers of the banks by way of monthly meetings. RBI may convene separate meetings with the district and state Nodal Officers of the banks every month or more frequently in the matter.

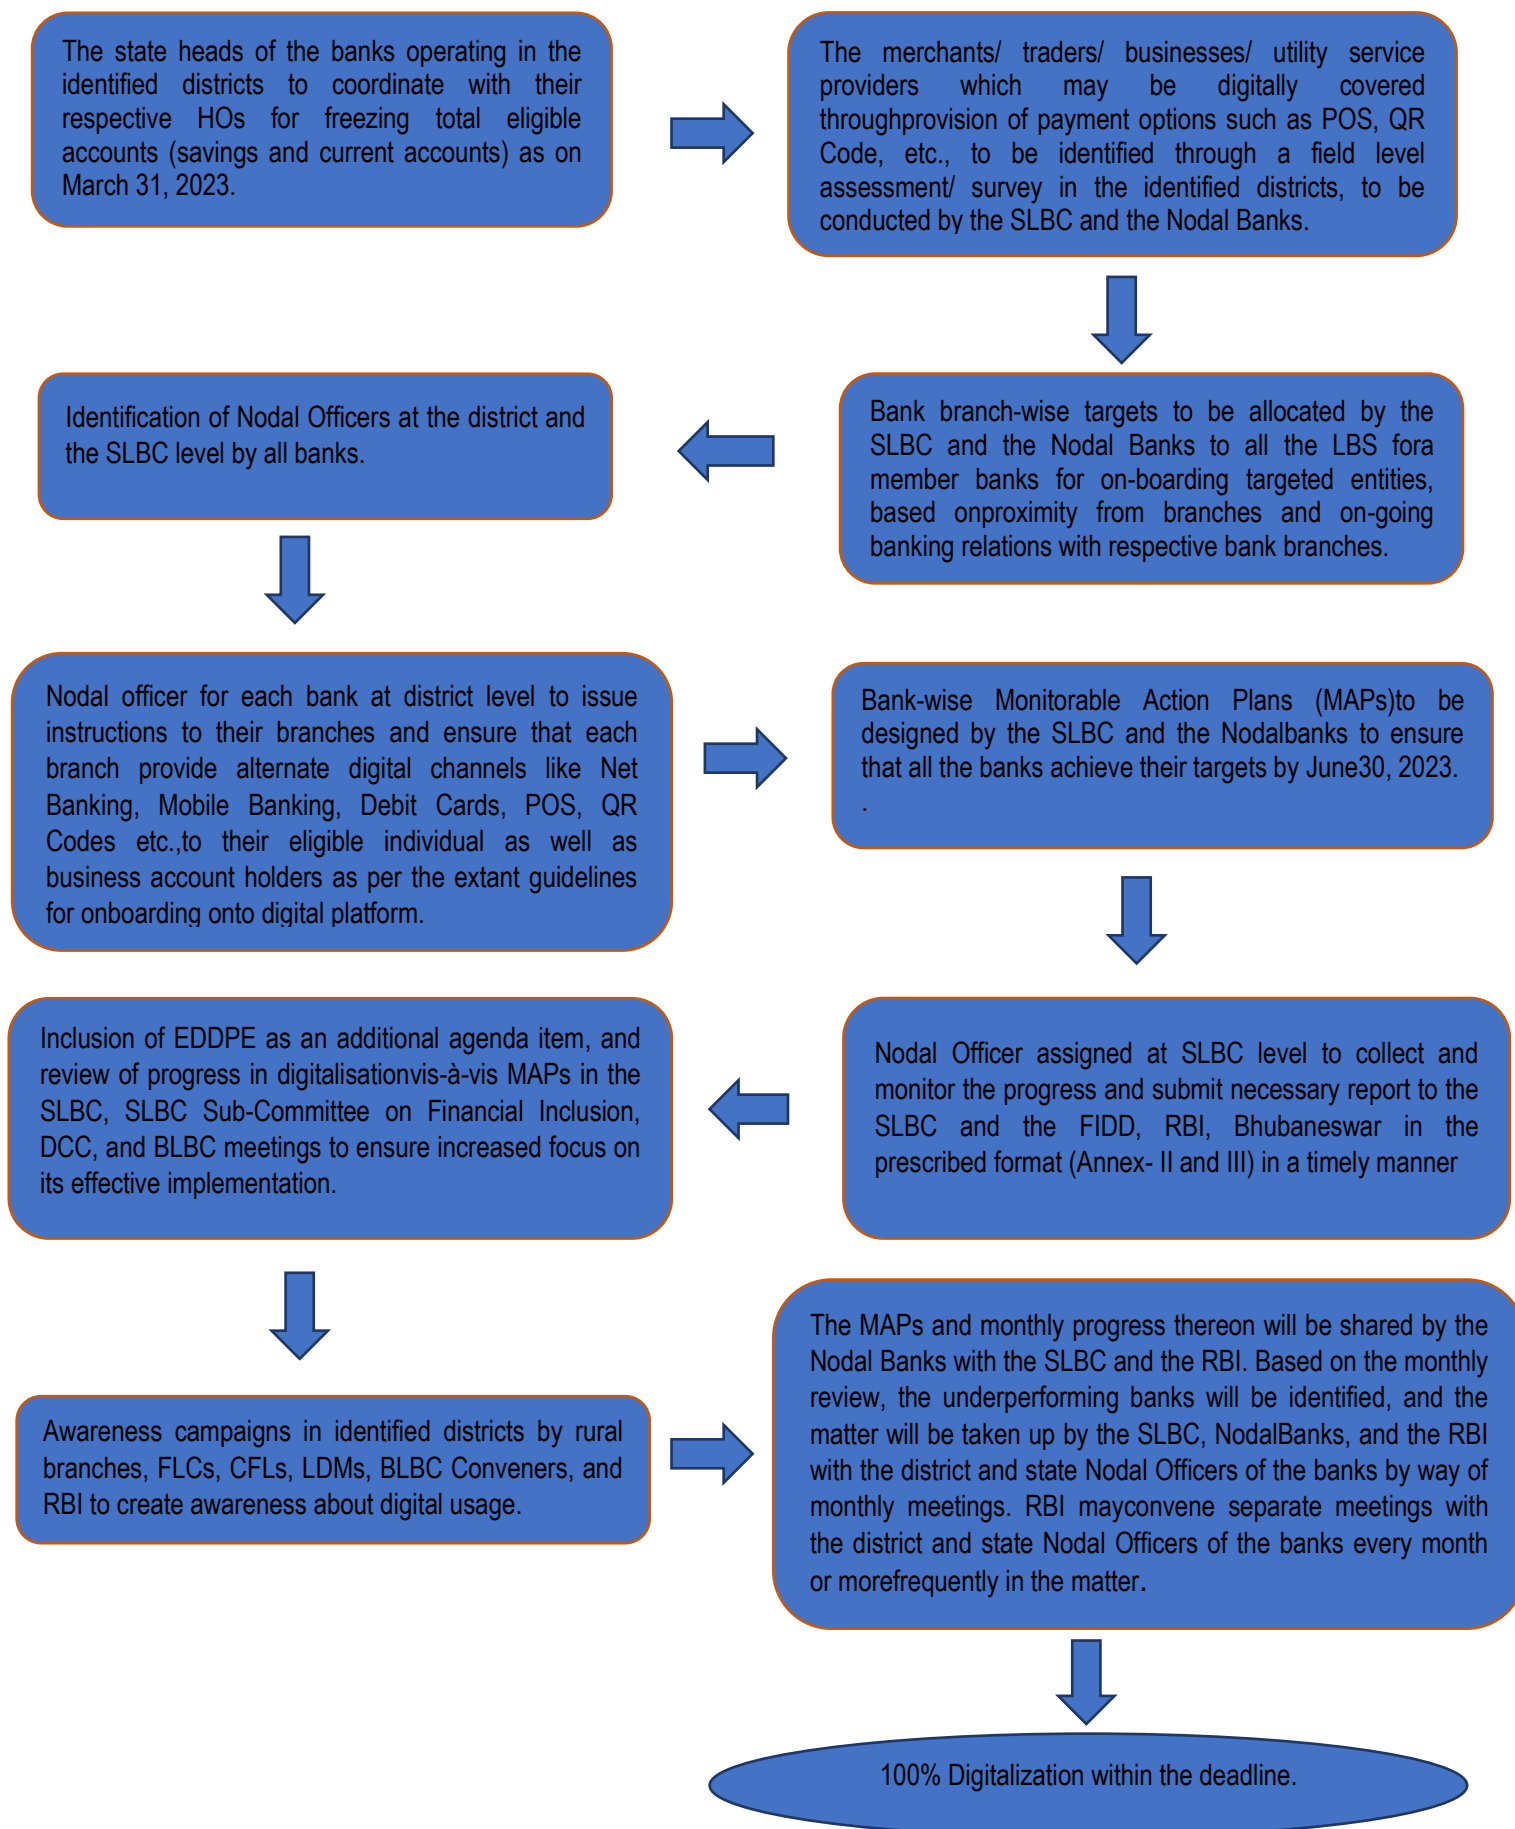

(iv) Inclusion of EDDPE as additional agenda item in meetings:

EDDPE should be added as an additional agenda item under the Financial Inclusion Initiatives in meetings of the SLBC Sub-Committee on Financial Inclusion, the SLBC, the DCC and the BLBC meetings of the identified districts. Progress under the programme vis-à-vis the MAPs may be monitored in these meetings.

(e) Certification/Declaration of Digital District:

On achieving the target of covering all the eligible accounts (both savings and current accounts) with at least one of the digital facilities, a certificate to this effect will be provided by each bank in the district and the district will be officially declared as fully digital by the SLBC Convenor Bank in SLBC meeting.

Process Flow of the Implementation and Monitoring of EDDPE 3.0

Sub: Special Drive for Collection, Documentation and Sponsoring of SHG Bank Loan Application during the month of November and December 2023.

Ref: This Department letter no. 2125 dated 26.05.2023 – Annual SHG Bank Credit Linkage Target for the FY 2023-24.

Madam/Sir,

The annual SHG bank credit linkage target for the financial year 2023-24 has been fixed at Rs. 15000 crore benefiting 4 lakh Mission Shakti SHGs.

Institutional Finance to SHGs is one of the critical inputs required to facilitate short term seasonal agricultural operations. To facilitate credit delivery, Government is providing considerable financial support in term of Interest Subvention – Mission Shakti Loans to SHGs in the State.

In the advent of Rabi crop season, provision for timely, adequate and hassle free credit support to SHGs is the much needed intervention. The month of November and December 2023 are dedicated as special drive months for Collection, Documentation and Sponsoring of loan applications to the bank branches.

The objective of this special drive is optimization of credit flow to SHGs (eligible for fresh/repeat), renewal of CC loans with enhanced limit and awareness creation on bank credit linkage programme, loan utilisation & benefits of Interest Subvention.

To accomplish the targets, a camp approach shall be followed as per the given detailed calendar of activities.
