4.13 Financing against pledge of e-NWRs (Electronic-Negotiable Warehouse Receipts).

The Warehousing Development and Regulatory Authority (WDRA), established under the Warehousing (Development and Regulation) Act, 2007, regulates warehouses issuing negotiable warehouse receipts (NWRs), currently limited to electronic NWRs (e-NWRs), which can only be issued by WDRA-registered warehouses. WDRA ensures legal protection for NWR holders, safeguards depositors' interests, and fosters trust among stakeholders. To enhance post-harvest financing, the Government of India launched the e-KisanUpaj Nidhi (eKUN) platform on the Jansamarth portal, allowing farmers to access competitive pledge loans from banks against stocks stored in WDRA-registered warehouses. Additionally, the Credit Guarantee Scheme for e-NWR based Pledge Financing (CGS-NPF), launched on 16 December 2024, incentivizes banks to offer loans against e-NWRs by covering potential losses due to credit and warehouseman risks, thereby reducing distress sales and ensuring better prices for farmers.

Banks are requested to consider financing against pledge of e-NWRs.

LDM Gajapati highlighted the issues regarding credit facilities to Minority Communities in Gajapati district, which has been identified as one of the minority concentration districts in the state of Odisha, as given below:

Points raised	Action Taken by LDM, Gajapati
The number of brick-and-mortar branches in the district is not sufficient to cater to credit requirement of the minorities. Rejection of cases by banks are very high due to difficulties in due-diligence and credit monitoring process.	As per the feedback received from major banks in the district, apart from the existing Brick & Mortar branches, they have deployed Corporate BCs and CSP at each unbanked GP located in their service Areas (assigned to the banks). Some banks have also opened new ATM outlets. Hence the financial

Since existing brick & mortar branches are not adequately staffed, branches are concentrating only on operational works rather than going for credit disbursement (most of the branches are operating with only two staffs, Branch Manager and Cashier) Rate of project failure is also very high because the beneficiaries are not properly trained and adequately skilled to run the units successfully. No officer has been deputed in the district by the Lead Bank to exclusively look after the problems regarding the credit flow to minority communities.	service condition for the people in the district improving day by day. Some banks have replied that some of their branches are having adequate staff and credit officers are also posted in some of the branches. Turnaround time and number of loan sanctions are improving day by day. By organising Credit Outreach programs and FLC programs, banks are reaching out to the people who are interested to set-up new enterprises and business units with the help of bank finance. The LDM Office in collaboration with DIC, District Skill Development Department, RSETI and NGOs organising several EDP and skill development program to bridge the skill gap to manage and run a business unit.

Union bank of India being the Lead Bank in the district along with Banks operating in Gajapati district are requested to take necessary steps to enhance the credit facility to minorities communities in Gajapati district.

8.4 Central Know Your Customer Registry (CKYCR)- Data Population:

The Central KYC (CKYC) Registry, established under the Prevention of Money Laundering (Maintenance of Records) Rules, 2005, serves as a centralized repository to receive, store, safeguard, and retrieve KYC records of clients in digital form. Its primary objective is to universalize KYC across the financial sector, thereby acting as a single source of authentic information for KYC data. By streamlining the KYC process, the CKYC Registry enhances transparency, reduces duplication, and significantly improves the ease of doing business across the financial ecosystem.

It is observed that many Banks/ FIs are yet to onboard for API search & Download and updation of KYC records in the CKYCR Registry is not happening. Banks are only updating the records in their CBS system as in majority of the banks, the functionality of search, download and update is not available at the branches and lack of awareness among staff resulting in asking for KYC documents for account opening even for those customers who have a KYC identifier.

The CKYC data for Odisha state as of 30.06.2025 provided by CERSAI, New Delhi is given below:

Period	CKYC Generated	CKYC Downloaded	CKYC Updated	Inter-Usability %
01.04.25 to 30.06.2025	832440	376781	1281279	31%

The detailed bank-wise data is enclosed in **Annexure- 42**.

With the objective of providing comprehensive insights on KYC/AML, effective utilization of CKYC data available at the Central KYC Record Registry (CKYCRR), and the processes to be followed, CERSAI in collaboration with UCO Bank, Convenor SLBC Odisha, organized an awareness program on CKYCRR for RBI Regulated Entities (REs) on 21.08.2025 at Bhubaneswar. The program featured deliberations on critical topics such as KYC/AML compliance, CKYC data usage, and regulatory updates, with sessions addressed by officials from RBI, FIU-IND, and CERSAI.

8.6 Fintech Adoption

FinTech adoption in India is transforming the financial landscape by enhancing access, affordability, and delivery of financial services through innovative digital solutions. Developments such as digital payment platforms, peer-to-peer payment apps, and block chain-based technologies are streamlining processes like information verification and money transfers, thereby increasing convenience and operational efficiency. These advancements hold significant potential for promoting financial inclusion, especially among underserved and unbanked populations, by complementing traditional banking services through mobile banking and digital wallets. Public and private platforms, notably the Unified Payments Interface (UPI) launched by the National Payments Corporation of India, have played a pivotal role in popularizing seamless, low-value retail transactions due to their user-friendly interfaces. According to the RBI's Working Group on FinTech and Digital Banking (2018), FinTech innovations span across five key areas: payments (domestic and cross-border), deposits and lending, market provisioning, investment management, and data analytics and risk management. Recognizing the sector's transformative potential and inherent risks, the Reserve Bank of India established a dedicated FinTech Department on January 4, 2022, to foster innovation while ensuring regulatory oversight under an adequacy framework.

8.7 Functioning & Timely conduct of DCC/DLRC

As per the RBI guidelines and Lead Bank Scheme, the DCC and DLRC meetings should be conducted at quarterly intervals within stipulated time without being rescheduled number of times.

DCC meetings should be convened by the Lead District Managers at quarterly intervals. At the DCC level, sub-committees as appropriate, may be set up to work

intensively on specific issues and submit reports to the DCC for its consideration. DCC should give adequate feedback to the SLBC on various issues that need to be discussed on a wider platform, so that adequate attention can be given at the State Level

We request all banks having lead district responsibility to instruct their LDMs to follow the guidelines as per the RBI circular while convening the DCC/DLRC meetings and it should always be conducted well before the scheduled SLBC Meeting. The unresolved issues may please be shared with SLBC for discussion in the forthcoming SLBC Meeting.

We also request State Government to advise all Collectors and District Magistrates to extend timely support and co-operation to the Lead District Managers & ensure holding the DCC/DLRC meetings separately within prescribed time norms, as per the RBI guidelines.

As per the direction of RBI, Central Office, lead banks of all the districts located in the states in Eastern, North Eastern and Central Regions have to conduct one of the DCC meetings as a special DCC meeting in a financial year to review financial inclusion and financial literacy (FI & FL). However, for the FY 2024-25 only Puri district has not conducted the special DCC meeting and for the FY 2025-26, 15 districts viz. Balasore, Bargarh, Bolangir, Boudh, Dhenkanal, Jajpur, Kalahandi, Kandhamal, Khordha, Korput, Nayagarh, Nuapada, Puri, Rayagda and Sonepur have not conducted the Special DCC meeting yet.

Strengthening of LDMs

As per the Master Circular of Reserve Bank of India on Lead Bank Scheme, dated April 1, 2025, the effectiveness of the Lead Bank scheme depends on the dynamism of the District Collectors and the Lead District Managers (LDMs), with supportive role of the Regional/ Zonal Office, the office of LDMs should be sufficiently strengthened with appropriate infrastructural support.

Apart from the provision of a separate office space, technical infrastructure like computers, printer, data connectivity etc. which are the basic necessities for LDMs to discharge their core responsibilities. The absence of a specialist officer/ assistant for data entry/ analysis is a common and major issue faced by LDMs. Liberty to hire the services of skilled computer operator/s may be given to the LDMs to overcome the shortage of staff in case appropriate staff is not posted at LDM's office.

Controllers of the Lead Banks in the State are requested to provide adequate staff and other infrastructure facilities to strengthen the LDM's office.

8.8 Absenteeism in DCC/ DLRC Meetings

DCC and DLRC are important fora facilitating coordination among commercial banks, Government agencies and other stakeholders at the district level to review and find solutions to the problems hindering development activities. Hence, it is necessary that all the members participate and deliberate in these meetings.

However, it is observed that many banks are not attending the DCC and DLRC meetings of various districts. Also, the absenteeism of banks from the said meetings has been recurring for one or more than one quarters for more than one districts. Further, officials attending the meetings are lacking any prior preparation/ background for the said meetings.

All Banks are requested to give proper instruction to their district-coordinators at the district level to attend the DCC/DLRC regularly and with adequate preparation for the said meetings.

District-wise Bank-wise details is at **Annexure-44**.

8.9 Timely submission of data by banks, adhering to the schedule of SLBC meeting as per Master Circular on Lead Bank Scheme

As per the Master Circular on Lead Bank Scheme by Reserve Bank of India, to improve the effectiveness and streamline the functioning of SLBC/UTLBC meetings, SLBC Convenor Banks have been advised to prepare a yearly calendar of programmes (calendar year basis) at the beginning of the year itself, for conducting the meetings. One of the key aspects of SLBC meetings is the timely submission of data by banks which ensures smooth functioning, efficient decision-making and better financial inclusion.

Data submission time line for the year 2025 is given below:

SI	Particular of Meeting	Quarter ended March-2025	Quarter ended June-2025	Quarter ended Sept-2025	Quarter ended Dec-2025

In this regard, all banks should ensure submission of correct and timely data for timely conduct of the SLBC meetings.

8.10 Conduct of Town Hall Meetings at District Level.

29 LDMs have conducted the town hall meetings at their respective districts. During these meetings, discussions were held with MSME entrepreneurs, bankers, and other relevant stakeholders. The forum provided an opportunity to address various issues and queries related to bank linkage and operational challenges faced by MSME entrepreneurs.

Banks having lead district responsibility are requested to advise LDMs to conduct quarterly town hall meetings on regular basis and report the unresolved issues to SLBC.

The district-wise details of meetings conducted is given in **Annexure-45**.

Subject: Request to withhold loan sanctions against the Plotted Schemes and Housing Projects which are not approved by the Planning Authority and not registered with RERA.

Sir,

This is to inform you that certain plotted development schemes/ housing projects currently being promoted by certain developers without approval of the relevant Planning Authority as well as registration with Odisha Real Estate Regulating Authority (ORERA).

Section 3 (1) of the Real Estate (Regulation and Development) Act, 2016 (RERA) mandates that:-

"No promoter shall advertise, market, book, sell or offer for sale, or invite person to purchase in any manner any plot, apartment or building, as the case may be, in any real estate project or part of it, in any planning area, without registering the Real Estate Regulatory Authority established under this Act."

Thus, any plotted scheme/ housing project requires explicit layout / development plan approval from the Competent Authority before sales and making any financial transactions.

In absence of these approvals, the scheme/project stands illegal, and any transaction made (including buyer loans or developer financing) by the financial institution concerning to the project may not be taken as justified on legal point of view. Further, any financial advancement to these said developers may expose buyers and financial institutions to potential legal, regulatory, as well as financial risks.

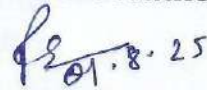

In view of the above, you are requested to take cognizance of the situation and issue suitable instruction to all the Branch Heads under your jurisdiction to refrain from approving or disbursing any home loans or construction finance related to such unapproved Plotted Schemes/

Apartment Projects. Before sanctioning any construction loan to the real estate developers as well as home loan to buyers, due verification of RERA Registration certificate and Development Authority's approval documents shall be made compulsory by the concerned bank branches.

This needs to be followed strictly in order to prevent the illegal unauthorised schemes/project as well as to avoid financial risk factor of the Financial Institutions for which it is requested to please intimate the same to all banks.

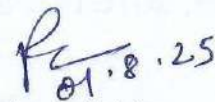

An acknowledgement regarding intimation of the same to all banks will be highly appreciated.

By orders of the Authority
