# AGENDA NO. 2

## Special SLBC- Financial Inclusion/Financial Literacy/Banking Infrastructure

Financial inclusion and financial literacy are interrelated concepts essential for economic growth and individual well-being. Financial inclusion refers to the availability and accessibility of financial services to all individuals, particularly those who are underserved by traditional banking systems, such as low-income populations and rural communities. It ensures that everyone can access essential financial products like savings accounts, credit, insurance, and digital payment systems. Financial literacy, on the other hand, involves the knowledge and skills needed to make informed and effective financial decisions. It encompasses understanding financial concepts like budgeting, investing, and managing debt. Together, financial inclusion and literacy empower individuals to participate fully in the economy, enhance their financial stability, and contribute to broader economic development by reducing poverty and nurturing sustainable growth.

Strengthening financial inclusion in the state has been a key developmental agenda for the Government, the Reserve Bank of India (RBI), and other stakeholders. This concerted effort aims to ensure that a broader segment of the population, particularly the economically marginalized and those in rural areas, have access to essential financial services. Initiatives include expanding the reach of banking infrastructure, promoting digital payment systems, and offering financial literacy programs to educate individuals on effective money management.

At district level, the LDMs have to coordinate with District Small Savings Officers to participate actively for holistic approach on Financial Inclusion in the respective districts.

The various achievements and developments in achieving the Financial Inclusion and Financial Literacy are given hereunder.

## 2.8 Expanding and Deepening of Digital Payments Ecosystem

### (a) Expanding and Deepening of Digital Payments Ecosystem

In the effort to expand and deepen digital payment eco system, four districts in Odisha namely Cuttack, Bolangir, Sambalpur and Ganjam have achieved 100% digitization and have been declared as fully digitalized districts.

Further, in view of successful and timely implementation of the project, RBI had proposed rest 26 districts for making them 100% digitally enabled in a time bound manner. The cutoff date for crystallization of total eligible accounts (SB & Current) by banks is fixed as 31.03.2023 and the date of achieving 100% digitization is fixed on 31.03.2024.

So far, the coverage with at least one of the digital modes of payment (Debit/ Rupay cards, Internet banking, Mobile banking, UPI, USSD, AEPS) of freezed savings accounts is 99.43% and freezed current accounts is 96.01% as of 30.06.2024.

Bank wise and district wise progress as on 30.06.2024 is given in **Annexure- 13.**

As the cutoff date 30.06.2024 is over, SLBC proposes to extend the dead line up to 30.09.2024 for achieving 100% digitalization.

In order to digitize all merchants in the 26 districts a VC meeting by RBI was conducted on 18.01.2024 wherein, it was decided that the identification of merchants will be done by the bank branches as per service area approach in rural areas. In case of urban areas LDMs will allocate wards to banks having major presence in the ward to identify merchants.

SLBC vide letter dated 09.02.2024 had shared the list of district wise GPs (in case of rural area) and Wards (in case of urban area) and the allottee banks identified by respective LDMs and requested all allottee banks to conduct the survey as per prescribed Survey Form. After collecting the survey forms from the branches, the State controlling office of each bank will have to consolidate the branch wise data and submit one consolidated sheet to RBI. Banks are requested to complete the survey and submit the consolidated report on digitization status of merchants.

All banks have submitted the survey report except Kotak Mahindra Bank which was allotted ward no.19 & 23 in Rourkela Municipal Corporation and Sripura GP of Jharsuguda block.

We propose to achieve 100% digitalization by 30.09.2024.

Considering various factors such as annual growth, loan utilization, and repayment trends, the current Financial Year's annual target has been set for **4,00,000** SHGs, totalling Rs. **20,000.00** crores (twenty thousand crores). The District-wise and Bank-wise target has already been shared by SLBC vide letter no.SLBC/ODI/2024-25/287 dated 19.07.2024.

There is a specific initiative to increase the average loan size per Self-Help Group (SHG) to Rs. 4 lakh. It is imperative to prioritize attaining this minimum loan size, and all banking institutions are required to abide by the decision taken in the 167th State Level Bankers' Committee (SLBC) meeting regarding the minimum loan size for SHGs, irrespective of their corpus fund. The average loan amount for Self-Help Groups (SHGs) in the last financial year was Rs. 4.01 lakh

**b) Mission Shakti Loan - State Interest Subvention**

FY 2023-24 has seen a significant number of Self-Help Groups (SHGs) securing high-ticket loans ranging from Rs. 5 to 10 lakh to drive their entrepreneurial ambitions. Recognizing the need to support this segment of SHGs, the Government announced on 27th February 2024 the extension of interest subvention benefits, doubling the threshold from Rs. 5 lakh to Rs. 10 lakh, providing loans at 0% effective annual rate of interest to WSHGs (both rural and urban) w.e.f. 1st April 2023 on prompt and regular repayments.

Considering the growth, the annual target for the current financial year (FY 2024-25) for Mission Shakti Loan – State Interest Subvention has been fixed at Rs. 300 crore.

**c) Bank Linkage and Interest Subvention (BLIS) MIS Portal**

A specialized Bank Linkage and Interest Subvention (BLIS) Management Information System (MIS) portal has been established to oversee and monitor various aspects including credit linkage, loan repayment, overdue accounts, Non-Performing Assets (NPAs), SHG Bank Linkage, and settlement of Interest Subvention. Further, loan application sponsoring along with reporting will be conducted online directly through the (BLIS) MIS portal by the SHGs/Mission Shakti staff to Banks.

Mission Shakti has collaborated with all banks that maintain a portfolio of Self-Help Groups (SHGs), ensuring regular sharing of data on the SHG Bank Linkage and Interest Subvention portal. MoUs have been signed with all banks, except Punjab & Sind, to facilitate the exchange of SHG data and the settlement of interest subvention.

During the current fiscal year (2024-25), interest subvention amounting to Rs. 112.51 crore has been calculated for direct settlement or transfer to eligible SHGs through this portal. It is expected that the calculated amount will be reimbursed in the month of September 2024. The progress of data sharing by banks and calculated interest subvention benefits for the current financial year is outlined in **Annexure – 34 & 35.**

### d) Mission Shakti Scooter Loan

The State Government, recognizing the invaluable role of Federation Leaders and Community Support Staff (CSS) in strengthening SHGs and their federations, during its 62nd Cabinet meeting on July 21, 2023, approved the "Mission Shakti Scooter Yojana". This initiative offers Interest-Free Loans for the purchase of Scooters by around 2 lakh Mission Shakti Federation Leaders and Community Support Staff of their own choice, enhancing their operational efficiency and improving service quality for SHGs and their federations. The effective interest rate of 0% per annum applies to the entire loan amount, up to a maximum of Rs. 1 lakh, based on the vehicle's cost. This provision is effective from April 1, 2023.

For smooth implementation of the scheme, an amount of Rs. 50 crores have been placed with partnering banks.

### e) WSHG members as BCA

2,082 Mission Shakti SHG members are engaged as Business Correspondent Agents (BCAs) through 5 banks (State Bank of India (296), UCO Bank (115), Utkal Grameen Bank (138), YES Bank (871) and ICICI Bank (662)). These BCAs have undertaken transactions amounting Rs 327.80 crore and received commission of Rs. 92.88 lakhs during financial year 2024-25 up to quarter ending June 2024.

MOU has been signed with 7 banks (Union Bank of India, Punjab National Bank, Canara Bank, Indian Bank, Axis Bank, Bank of India and HDFC Bank), but they have not engaged any WSHG members as BC agents.

In the Sub-Committee meeting of SLBC on Financial Inclusion, Financial Literacy and Digital Payment for the quarter ended June, 2024 held on 23.08.2024, the Principal Secretary, Finance advised that the performance of Mission Shakti members operating as BCs is to be evaluated. If their performance is found satisfactory the remaining Banks will be advised accordingly. Banks are advised not to progress in signing the MoU and free to engage any eligible person as their BC agents.

bank. In view of this, State Authorities are requested to ensure that no transfer of land should be allowed/registered which is mortgaged to Bank, without No objection from bank / charge release letter from bank.

### 7.5 Registration Conveyance Deed

Due to an ongoing Court Case in the High court of Orissa at Cuttack, in the matter of "registration of conveyance deed in favor of the Association of allottees for the common area in a real estate project" execution of registered agreement to sale, registration of sale deeds for purchase of flats is not being allowed for the time being at the registering offices. Banks are facing difficulty in sanction & disbursement of housing loans. Under this scenario, inflow of housing loan files from builder projects ,branches for sale transaction of flats are being badly hampered. State Government is requested to intervene in the matter for its early resolution.

### 7.6 Registration of MOTD

It is observed that Memorandum of Title Deed (MOTD) is not being done by many banks in our State. In order to minimize the risk of security dilution, all banks should issue necessary guidelines to their branches for registration of Memorandum of title deeds (MOTD) with the registering authority.
State Govt. is requested to reduce the charges for MOTD and to enable online charge creation for banks.

### 7.7 Property Cards Under SVAMITVA scheme- validity as instrumental for property mortgage.

SVAMITVA scheme was launched by Hon'ble Prime Minister on 24th April 2020 with the objective to enable demarcation of inhabited land in rural area by the latest drone survey methods. The SVAMITVA scheme would provide the 'Records of Rights' to village household owners possessing houses in inhabited rural areas in villages, which in turn would enable them to use their property as financial asset for taking loans and other financial benefits from Banks.

As per Directorate, Land Records & Surveys, Board of Revenue, Odisha, Cuttack, in Odisha State, five districts viz. Rayagada, Jharsuguda, Gajapati, Nabarangpur and Dhenkanal have been notified by the Revenue & D.M. Deptt, Govt. Of Odisha for conducting SVAMITVA scheme in these five districts. ### 8.3 Central Know Your Customer Registry (CKYCR)- Data Population:

CKYC Registry was set up to receive, store, safeguard and retrieve the KYC Records in digital form of clients under the Prevention of Money Laundering (Maintenance of Records), Rules, 2005. The basic intent for setting up of registry was to achieve universalization of KYC across financial sector to make CKYCR as single source of truth. Various benefits of CKYC are as under:

- The CKYC facilitates the conducive ambience for the ease of doing business by simplifying the process of accumulating verified/ mandatory documents and then creating repository for the use of the same by various entities under Financial Sector Regulators.

- The CKYC provides uniform template for the synchronization of customer information(s) which in essence, can be called as standardization of customer information.
- The CKYC facilitates the culling out of relevant information from the large chunk of data, provided by all the associated entities and also enables the registry to clean up the duplication/ repetition of data.
- The CKYC provides ample scope for the single line documentation so as to avoid submission of multiplicity of documents at various forum and allows for the portability of the same among the various entities.
- The CKYC facilitates the simplification of Due Diligence with regards to Customer Identification Process (CIP) which makes the process cost effective and less time consuming.

It is observed that many Banks/ FIs are yet to onboard for API search & Download and updation of KYC records in the CKYCR Registry is not happening. Banks are only updating the records in their CBS system as in majority of the banks, the functionality of search, download and update is not available at the branches and lack of awareness among staff resulting in asking for KYC documents for account opening even for those customers who have a KYC identifier. The CKYC data as of 30.06.2024 for Odisha state as provided by CERSAI, New Delhi is given below:

## 8.6 Fintech Adoption

Fintech as an industry uses technology to make financial systems and the delivery of financial services more efficient. Fin Techs are start-ups and other companies, that use technologies to conduct the fundamental functions provided by financial services, impacting how consumers store, save, borrow, invest, move, pay and protect money. Fin Tech help enhancing financial inclusion as more people are using digital mode for their financial services. Considering the potential of Fin Techs, banks may widely adopt Fintech, particularly in the agriculture sector, which could help bring in more investment into the sector for long term asset creation and infrastructure development.

Fintech adoption in India has surged dramatically, driven by a confluence of factors including a young, tech-savvy population, widespread smartphone usage, and strong government initiatives like Digital India and Jan Dhan Yojana. This rapid growth has seen the proliferation of digital payment platforms, lending services, and investment solutions, with companies like Paytm, PhonePe, and Zerodha leading the charge. Additionally, the Unified Payments Interface (UPI) has revolutionized transactions, making digital payments seamless and widely accessible. The COVID-19 pandemic further accelerated fintech adoption as people increasingly turned to digital solutions for financial transactions, highlighting the sector's critical role in driving financial inclusion and transforming the traditional banking landscape in India

## 8.7 Functioning & Timely conduct of DCC/DLRC

As per the RBI guidelines and Lead Bank Scheme the DCC and DLRC meetings should be conducted at quarterly intervals within stipulated time without being rescheduled number of times.

DCC meetings should be convened by the Lead District Managers at quarterly intervals. At the DCC level, sub-committees as appropriate, may be set up to work intensively on specific issues and submit reports to the DCC for its consideration. DCC should give adequate feedback to the SLBC on various issues that need to be discussed on a wider platform, so that adequate attention can be given at the State Level

We request all LDMs to follow the guidelines as per the RBI circular while convening the DCC/DLRC meetings and it should always be conducted well before the scheduled SLBC Meeting. The unresolved issues may please be shared with SLBC for discussion in the forthcoming SLBC Meeting.

We also request State Government to advise all Collectors and District Magistrates to extend timely support and co-operation to the Lead District Managers & ensure holding the DCC/DLRC meetings separately, as per the RBI guidelines.

**Strengthening of LDMs**

As per the Master Circular of Reserve Bank of India on Lead Bank Scheme, dated April 3, 2023, the effectiveness of the Lead Bank scheme depends on the dynamism of the District Collectors and the Lead District Managers (LDMs), with supportive role of the Regional/ Zonal Office, the office of LDMs should be sufficiently strengthened with appropriate infrastructural support.

Apart from the provision of a separate office space, technical infrastructure like computers, printer, data connectivity etc. which are the basic necessities for LDMs to discharge their core responsibilities. The absence of a specialist officer/ assistant for data entry/ analysis is a common and major issue faced by LDMs. Liberty to hire the services of skilled computer operator/s may be given to the LDMs to overcome the shortage of staff in case appropriate staff is not posted at LDM's office.

Controllers of the Lead Banks in the State are requested to provide adequate staff and other infrastructure facilities to strengthen the LDM's office.

**8.8 Consideration of the proposal for reduction of frequency of the DLRC meetings.**

As per the Lead Bank Policy of RBI, The DLRC (District Level Review Committee) is a forum to review the pace and quality of implementation of various programmes under the LBS in the district. DLRC meetings are chaired by the District Collector and attended by members of the DCC. Public Representatives, i.e., Local MPs/MLAs/ Zilla Parishad Chiefs are also invited to these meetings. The DLRC meetings should be convened by the Lead Banks at least once in a quarter. Lead

Banks must fix dates of DLRC meetings, taking into account the convenience of the MPs.

On a review of the DCC/ DLRC meetings, it is observed that late receipt/ non-receipt of intimation of the date of meetings, clash of dates with other events, commonality of dates, etc., hinder participation of members in these meetings, thus undermining the prime objective of conducting the meetings.

The details of meetings conducted during the Calendar Year 2023 is given below:

| During the quarter ended | No. of DLRC meetings held (as per mandate 30 in each quarter) |
|---|---|
| March'2023 | 4 |
| June'2023 | 7 |

**Sub: Modalities on Interest Subvention and CGTMSE Guarantee under SWAYAM Scheme.**

Sir

I am directed to say that banking institutions were seeking clarifications regarding the modality of interest subvention and CGTMSE guarantee. This department has framed the SOP on interest subvention and CGTMSE guarantee after series of discussion with banking institutions and SIDBI. The SOPs are enclosed for your ready reference.

The applicants under this scheme are required to submit a DPR for sanction of their loan applications. In order to facilitate the beneficiaries and banks, standard DPR is prepared and enclosed for your reference. It is clarified that the DPR can be modified by bank as per their requirement.

I would request you to communicate the SOPs and DPR with banks for smooth implementation of SWAYAM scheme.

Yours faithfully,

All Scheduled Commercial Banks /Regional Rural Banks/State Cooperative Banks/District Central Cooperative Banks

Madam/ Dear Sir,

**Support under Financial Inclusion Fund (FIF) for Rural Connectivity-HTS-VSAT, Dual LTE and SD WAN technologies**

## 1. Background

Connectivity plays a critical role in enhancing the accessibility, efficiency and reach of financial services. Lack of connectivity or erratic connectivity is a major deterrent for banks to operate smoothly in remote areas. It helps financial institutions to extend financial services in hitherto underserved areas. In modern banking, connectivity is a must have for enabling digital/online banking, for making mobile payments and for supporting financial inclusion. Connectivity acts as a catalyst for innovation, inclusion and efficiency in financial services reshaping the way people access financial products and services.

1.2 With recent innovations in connectivity along with increased digitization of the banking operations, a stable connectivity with enhanced bandwidth is imperative in providing financial services to the last mile. The present banking operations require high speed network connectivity for seamless operation.

1.3 NABARD has been providing support under FIF to improve the connectivity in the form of CAPEX support for both solar and non-solar powered VSATs in the network grey areas. As per the FIF policy issued vide circular no.8697-8705/DFIBT-23/2016-17 dated 16 October 2016, the VSAT being supported was based on wide beam based

communication system. Keeping in view its limitations, it has been decided to introduce HTS based VSAT communication system as an improvement.

## 2. High Throughput Satellite(HTS)- VSAT Advantages

- **Enhanced Bandwidth:** With a larger number of spot beams, HTS systems provide increased bandwidth capacity, allowing for simultaneous data communication across multiple users
- **Higher Throughput:** HTS VSAT systems offer significantly higher data throughput capabilities, enabling faster and more efficient data transmission for various applications.
- **Improved Efficiency:** The higher capacity of HTS VSAT reduces the contention ratio, ensuring more consistent and reliable performance even during peak usage times.
- **Lower Latency**: HTS satellites are often in medium Earth orbits, resulting in lower latency compared to traditional geostationary VSAT systems, which is crucial for real-time applications.
- **Broader Coverage:** HTS systems can cover wider geographical areas, making them suitable for connecting remote and underserved regions that might not have been feasible with traditional VSAT.

## 3. Details of the Scheme

**3.1 Objective**: The objective of the scheme is to enhance network connectivity in remote or underserved areas, promoting greater financial inclusion by extending grant assistance on a reimbursement basis for expenses incurred for deployment of HTS-VSAT, Dual LTE and SD WAN technologies, in a combo or item wise as per the need.

### 3.2 Eligible Institutions

#### 3.2.1 For new units

All the banks are eligible for support for installation of HTS VSAT/HTS VSAT in combination with SD WAN or Dual LTE in the North Eastern Region, hilly states/UTs (viz., Himachal Pradesh, Uttarakhand, UTs of Ladakh and Jammu &

Kashmir) and tier 5/tier 6 centres across rest of the country where connectivity is erratic and no support under FIF has been availed for VSAT earlier.

3.2.2 **Replacement of existing VSAT**

Rural Cooperative Banks(State Cooperative Banks & District Central Cooperative Banks) and Regional Rural Banks can switch to HTS-VSAT from already installed wide beam based VSAT, where the devices installed earlier are non-functional.

3.2.3 RCBs and RRBs will be allowed to avail support for SD WAN or DUAL LTE exclusive of HTS VSAT .

## 3.3 Extent of Support

The extent of support for each technology is indicated below:

| Model | Technology | Support under FIF | Eligible Component |
|---|---|---|---|
| I | HTS-VSAT in a combo with SD-WAN/Dual LTE | ₹ 3,00,000 or 90% of the cost incurred whichever is lower | CAPEX+ OPEX |
| II | HTS VSAT only | ₹ 2,65,500 or 90% of the cost incurred whichever is lower | CAPEX+ OPEX |
| III | 4G Dual LTE only | ₹ 34,500 or 90% of the cost incurred whichever is lower | OPEX |
| IV | SD WAN only | ₹ 34,500 or 90% of the cost incurred whichever is lower | CAPEX |

Note –

**i)** The bandwidth availability should be "upto 2 Mbps burst and above" in all cases.

**ii)** Bank can opt for support only in one model for one branch from Model no. I, II, III and IV as indicated in the above table.

**iii)** Initial set up costs for earthing pit and caging, etc. can be included as part of capital expenditure for HTS-VSAT.

**iv)** OPEX support is valid for one year only.

**3.4** **Operative period** : The scheme would be operational for a period of three years w.e.f. 01 April 2024 till 31 March 2027.

**3.5** **Sanctioning and claim procedure**

a) Banks have to submit proposal to respective NABARD, Regional office as per Annexure I (**Annexure I-A-** list of branches where they are willing to install HTS VSAT/HTS VSAT in combination with SD WAN or Dual LTE and **Annexure I-B-** Details of the products for which support is sought)

b) Banks have to give undertaking in prescribed format (**Annexure I B**) duly certified by their technical officer that the branch where support for connectivity is being sought, has poor network connectivity and proper 4G and fibre connection is not present in the area.

c) NABARD, Regional office will give in-principle approval for HTS VSAT connectivity in areas having no/low connectivity as reported by the banks seeking assistance.

d) NABARD DDM/ RO officials may visit the branches on sample basis to review the progress of the project.

e) Banks to submit the claim and Project Completion Report (PCR) as per Annexure II and Annexure III respectively.

f) All the bills/ receipts may be preserved by the banks for any future requirement relating to audit and inspection.

g) **Release of grant:** The release will be on reimbursement basis. The claim can be submitted by bank to respective regional offices of NABARD. The support for the one-time cost can be submitted by the bank after setting up of the unit/system.

**Key Facts Statement (KFS) for Loans & Advances**

Please refer to our instructions on Key Facts Statement (KFS) and disclosure of Annual Percentage Rate (APR) as contained in paragraph 2 of Circular on 'Display of information by banks' dated January 22, 2015; paragraph 6 of Master Direction on 'Regulatory Framework for Microfinance Loans' dated March 14, 2022; and paragraph 5 of 'Guidelines on Digital Lending' dated September 2, 2022.

2. As announced in the Statement on Developmental and Regulatory Policies dated February 8, 2024, it has been decided to harmonize the instructions on the subject. This is being done in order to enhance transparency and reduce information asymmetry on financial products being offered by different regulated entities, thereby empowering borrowers for making an informed financial decision. The harmonised instructions shall be applicable in cases of all retail and MSME term loan products extended by all regulated entities (REs).

3. For the purpose of this circular, following terms have been defined:

(a) **Key Facts** of a loan agreement between an RE/a group of REs and a borrower are legally significant and deterministic facts that satisfy basic information required to assist the borrower in taking an informed financial decision.
(b) **Key Facts Statement (KFS)** is a statement of key facts of a loan agreement, in simple and easier to understand language, provided to the borrower in a standardised format.

(c) **Annual Percentage Rate (APR**) is the annual cost of credit to the borrower which includes interest rate and all other charges associated with the credit facility.

(d) **Equated Periodic Instalment (EPI)** is an equated or fixed amount of repayments, consisting of both the principal and interest components, to be paid by a borrower towards repayment of a loan at periodic intervals for a fixed number of such intervals; and which result in complete amortisation of the loan. EPIs at monthly intervals are called EMIs.

Other words and expressions not defined above, but used in this circular, shall have the same meaning as assigned to them under the Master Direction on Interest Rate on Advances (2016) as updated from time to time or any other relevant regulation issued by the Reserve Bank.

4. REs shall provide a KFS to all prospective borrowers to help them take an informed view before executing the loan contract, as per the standardised format given in the **Annex A**. The KFS shall be written in a language understood by such borrowers. Contents of KFS shall be explained to the borrower and an acknowledgement shall be obtained that he/she has understood the same.

5. Further, the KFS shall be provided with a unique proposal number and shall have a validity period of at least three working days for loans having tenor of seven days or more, and a validity period of one working day for loans having tenor of less than seven days.[1]

*Explanation*

Validity period refers to the period available to the borrower, after being provided the KFS by the RE, to agree to the terms of the loan. The RE shall be bound by the terms of the loan indicated in the KFS, if agreed to by the borrower during the validity period.

6. The KFS shall also include a computation sheet of annual percentage rate (APR), and the amortisation schedule of the loan over the loan tenor. APR will include all

[1] In view of the stipulation relating to the validity period of the KFS, the provision at paragraph 8 of the 'Guidelines on Digital Lending' relating to mandatory minimum number of days for post-sanction cooling-off period, shall stand partially modified as under:

*"A borrower shall be given an explicit option to exit digital loan by paying the principal and the proportionate APR without any penalty during this period. The cooling off period shall be determined by the Board of the RE, subject to the period so determined not being less than one day. For borrowers continuing with the loan even after look-up period, pre-payment shall continue to be allowed as per extant RBI guidelines."*

charges which are levied by the RE. Illustrative examples of calculation of APR and disclosure of repayment schedule for a hypothetical loan are given in **Annex B and C respectively**.

7. Charges recovered from the borrowers by the REs on behalf of third-party service providers on actual basis, such as insurance charges, legal charges etc., shall also form part of the APR and shall be disclosed separately. In all cases wherever the RE is involved in recovering such charges, the receipts and related documents shall be provided to the borrower for each payment, within a reasonable time.

8. Any fees, charges, etc. which are not mentioned in the KFS, cannot be charged by the REs to the borrower at any stage during the term of the loan, without explicit consent of the borrower.

9. The KFS shall also be included as a summary box to be exhibited as part of the loan agreement.

**Exemptions**

10. Credit card receivables are exempted from the provisions contained under this circular.

**Applicability and Commencement**

11. REs shall put in place the necessary systems and processes to implement the above guidelines at the earliest. In any case, all new retail and MSME term loans sanctioned on or after October 1, 2024, including fresh loans to existing customers, shall comply with the above guidelines in letter and spirit without any exception. During the interregnum, the relevant provisions on 'KFS/Factsheet' under the extant guidelines shall continue to remain applicable, including the 'Guidelines on Digital Lending', the Master Direction on 'Regulatory Framework for Microfinance Loans', and the circular on 'Display of Information by Banks'.

**Legal Provisions**

12. The above instructions are issued under sections 21, 35A and 56 of the Banking Regulation Act, 1949, sections 45JA, 45L and 45M of the Reserve Bank of India Act, 1934, and sections 30A and 32 of the National Housing Bank Act, 1987.
