AGENDA NO. 2

Special SLBC- Financial Inclusion/Financial Literacy

Financial inclusion and financial literacy are two closely interconnected pillars that play a crucial role in promoting inclusive economic growth and improving individual well-being. Financial inclusion seeks to ensure access to essential financial services such as banking, credit, insurance, and digital payment systems for underserved and marginalized sections of society, particularly those residing in rural and low-income areas. Complementing this, financial literacy empowers individuals with the knowledge, awareness, and skills required to make informed financial decisions relating to budgeting, savings, investments, and debt management. Recognizing the importance of these objectives, the Government of India, the Reserve Bank of India (RBI), and other stakeholders have undertaken several initiatives to expand banking outreach, strengthen digital financial infrastructure, and promote financial education across the country. These coordinated efforts aim to empower citizens, reduce economic disparities, and foster sustainable and inclusive development.

In this context, the RBI Central Office, vide letter No. FIDD.CO.LBS.No.S667/02.13.005/2022-23 dated August 2, 2022, advised SLBC/UTLBC convenor banks in the Eastern, North-Eastern, and Central Regions to convene one Special SLBC/UTLBC meeting in a financial year in their respective States/UTs, with a focused agenda on financial inclusion and financial literacy.

Various achievements and developments in achieving Financial Inclusion and Financial Literacy are given hereunder.

SUCCESS STORIES

SUCCESS STORY-1

Maa Gajalaxmi Self Help Group (SHG), established in 2007 at Tangi, is a remarkable example of women-led entrepreneurship under the PMFME Scheme. Led by its President, Ms. Sakuntala Sahoo, the SHG successfully evolved from a traditional livelihood group into a flourishing food processing enterprise. In 2021–22, the group availed a loan of ₹10 lakh from UCO Bank, Tangi Branch, to modernize its processing unit and expand the production of flour and Chhatua. With support from the PMFME Scheme, it upgraded technology, improved packaging, and adopted higher hygiene and quality standards. The collective efforts of its members and efficient management practices enhanced productivity and market reach. The purity and quality of its products earned strong customer trust and acceptance in local markets. The enterprise has since achieved impressive financial growth, generating a net profit of nearly ₹30 lakh. It has also created seven local employment opportunities, benefiting both women and men in the community. The initiative has contributed significantly to livelihood enhancement and rural economic development in Khordha district. The success of Maa Gajalaxmi SHG showcases the power of institutional support, collective action, and women’s leadership in driving sustainable growth and self-reliance.

SUCCESS STORY-2

Munico Foods Private Limited, based in Berhampur, has emerged as a successful agro-processing enterprise under the Agriculture Infrastructure Fund (AIF) scheme with financial support from State Bank of India. Established in 2022, the company is led by Satyabrath Muni, Anurag Patro, Sandhyarani Muni, and Sidhartha Mohanty with a vision to promote healthy and millet-based food products inspired by Odisha's traditional food heritage. The company availed a term loan of Rs. 1.90 Crore under the AIF scheme to modernize its processing infrastructure, install advanced machinery, and improve storage and packaging facilities. The financial assistance significantly enhanced production capacity, product quality, and shelf life, enabling the enterprise to expand its customer base across multiple markets. Munico Foods is widely recognized for its innovative food products, including millet-based probiotic beverages and naturally processed foods that support sustainable agriculture. The enterprise has also created employment opportunities for local youth and women in the Berhampur region, contributing to rural livelihood development. By strengthening market linkages and procuring agricultural produce from nearby farmers, the company has positively impacted the regional agri-economy. Today, Munico Foods Private Limited stands as an inspiring example of how institutional credit support can accelerate agro-processing growth, promote entrepreneurship, and strengthen sustainable agricultural infrastructure in Odisha.

SUCCESS STORY-3

Sweta Agrawal from Bolangir has emerged as a successful woman entrepreneur under the Mukhyamantri Krushi Udyog Yojana (MKUY). With financial assistance of Rs. 232.00 lakh from Bank of India, Bolangir Branch, she established a 165 TPA White Button Mushroom cultivation unit at Jhankarpali under the banner of M/s Maa Mushroom. Supported by subsidy assistance from the Government of Odisha, the enterprise has been operating successfully for the last two years and has emerged as a model agri-business venture in the region. Through her dedication and entrepreneurial vision, Mrs. Agrawal has transformed mushroom cultivation into a highly profitable enterprise, generating an annual income of nearly Rs. 250–300 lakh. The venture has significantly improved her socio-economic condition and enabled her to achieve financial independence and a dignified livelihood. Her success has inspired many local farmers and aspiring entrepreneurs in Bolangir district to adopt mushroom cultivation as a sustainable and profitable business opportunity. The timely financial support from the bank, along with MKUY subsidy benefits, played a crucial role in establishing and expanding the unit successfully. Today, Mrs. Sweta Agrawal stands as an inspiring example of an “Atmanirbhar Woman,” demonstrating how institutional credit support and determination can empower rural women entrepreneurs and strengthen Odisha’s agricultural economy.

SUCCESS STORY-4

Suchismita Behera from Jeypore has emerged as a successful woman entrepreneur under the PMEGP Scheme by establishing the first eco-friendly Kulhad Cup manufacturing unit in the local area. Operating under the brand “Kulhad Cup” at Kaliagaon, the enterprise was set up with financial assistance of Rs. 7.38 lakh from HDFC Bank, Jeypore branch. Recognizing the growing demand for biodegradable and sustainable products, Ms. Behera introduced an innovative business idea to manufacture clay kulhad cups locally, reducing dependency on supplies from distant cities. The unit has significantly reduced transportation costs and delivery time for local tea stalls, restaurants, and event suppliers in the region. By promoting eco-friendly clay products as an alternative to plastic cups, the enterprise is contributing towards environmental protection and sustainable development. The project has also generated local employment opportunities and encouraged small-scale entrepreneurship in the Koraput region. With increasing demand for biodegradable products, the business holds strong future potential and expanding market opportunities in nearby towns and villages. Today, the success of Suchismita Behera stands as an inspiring example of how innovation, institutional credit support, and environmental consciousness can together drive self-reliance and rural economic growth in Odisha.
