ULI is a Digital Public Infrastructure (DPI) that enables secure digital access to information from diverse data sources including — land records, credit histories, tax filings, DigiLocker, GSTN, Milk federation data- through APIs, for the lending institutions.

By eliminating the need for complex bilateral data-sharing arrangements between lenders and data providers, ULI significantly reduces loan processing time. This benefit is especially pronounced for Kisan Credit Card (KCC) loans, dairy farmer credit, and MSME lending.

Member banks operating in Odisha are encouraged to access ULI platform to improve credit delivery to agricultural, MSME, and underserved borrower segments in the State.

8.5 Digitization of land records

Digitization of land records and linking the digital land record database with banks and financial institutions will result in creation of online charges in digital land records & facilitate quick processing and sanction of loans by the banks.

In this regard, Bhulekh Odisha is an online portal to keep the land records of the citizens of the Odisha State. The land record system in Odisha got digitalized in the year 2008 under Central Govt.'s National Land Records Modernization Programme (NLRMP).

8.6 Functioning & Timely conduct of DCC/DLRC

Strengthening of LDMs

As per the Master Circular of Reserve Bank of India on Lead Bank Scheme, dated June 19, 2026, the effectiveness of the Lead Bank scheme depends on the dynamism of the District Collectors and the Lead District Managers (LDMs), with supportive role of the Regional/ Zonal Office, the office of LDMs should be sufficiently strengthened with appropriate infrastructural support.

Apart from the provision of a separate office space, technical infrastructure like computers, printer, data connectivity etc. which are the basic necessities for LDMs to discharge their core responsibilities. The absence of a specialist officer/ assistant for data entry/ analysis is a common and major issue faced by LDMs. Liberty to hire the services of skilled computer operator/s may be given to the LDMs to overcome the shortage of staff in case appropriate staff is not posted at LDM's office.

Controllers of the Lead Banks in the State are requested to provide adequate staff and other infrastructure facilities to strengthen the LDM's office.

8.7 Absenteeism in DCC/ DLRC Meetings

HOUSING & URBAN DEVELOPMENT DEPARTMENT

SPECIAL ORDER

The 3rd December, 2025

No.29259-HUD-TP-POLICY-0005/2020– Whereas, the Odisha Apartment (Ownership and Management) Act 2023 (Act No.8 of 2023), hereinafter referred to as OAOM Act, came into force on 28th June 2023, replacing the earlier Odisha Apartment Ownership Act, 1982 and its 2015 amendment.

And whereas, the new Act was brought in to simplify and strengthen laws relating to apartment ownership and its management. One of the major objectives of the OAOM Act is to facilitate the allottees enjoy their lawful title over the apartments and proportionate interest over the Common Areas and Facilities. The OAOM Act also aligns with the Real Estate (Regulation and Development) Act, 2016 to ensure better protection for homebuyers. However, it has come to the notice of the Government that apartment owners are facing difficulties in registering the deeds of transfer of apartments due to various compliances and documentations.

And whereas, the Government has observed that numerous apartment owners who purchased their apartments prior to 05.10.2016 are encountering difficulties in registering their deed of transfer, particularly during resale, owing to the requirements mentioned under Section 8(2) of the OAOM Act.

And whereas, subsequent resale of apartments now requires compliance under Section 8 (2) read with Section 8(4) of the OAOM Act i.e. mandatory submission of Occupancy Certificate, Odisha RERA registration Certificate, Association of Allottees Registration Certificate, declaration, etc.

And whereas, the stringent requirement has resulted in undue hardship, especially for resale of apartments originally sold before enforcement of Real Estate (Regulation and Development) Act, 2016.

Now, therefore in exercise of the powers conferred by Section 35 of the Odisha Apartment (Ownership and Management) Act, 2023, the State Government do hereby issues the following order:-

1. The allottee or transferee for registration of sale deeds during resale or subsequent sale of such apartments whose deed of transfer of apartment has been executed before 5th October, 2016 is exempted from submitting the documents as required under Section 8 (2) of OAOM Act for the purpose of execution and registration of Sale Deeds. Notwithstanding anything contained under Section 8 (4) read with 8(2) of the OAOM Act, the owner is required to submit only the old Deed/s of transfer / Registered Sale Deed/s before registering authority at the time of registration.
2. The new sale deed for resale must mention the following,

   "the percentage of undivided interest in the Common Areas and Facilities shall be deemed to be conveyed or encumbered along with the apartment, to the Allottee or Transferee, even though such interest is not expressly mentioned in the earlier deed of transfer/ sale deed. "

   and

   "*the undivided proportionate title in the Common Areas and Facilities appertaining to the Apartment shall be deemed to be conveyed to the Association of Allottees, even though such undivided proportionate title is not expressly mentioned in the earlier deed of transfer/ sale deed."*
3. If any association of allottees or society was already formed under any other law before commencement of OAOM Act, it shall be deemed valid only upon adoption of bye-laws in accordance with Section 15 of the said Act.
4. The exemption granted by this notification shall not be construed as condoning any violation of building regulations. Any such violations shall remain subject to action under the applicable law.
5. The Notification issued by the Government in H&UD Department vide Gazette No.324 Dated the 1st February 2025 is hereby rescinded.

By order of the Governor
USHA PADHEE
Principal Secretary to Government

SUCCESS STORIES

SUCCESS STORY-1

M/s Greenply Sandila Private Limited (GSPL), having its registered office at Kolkata, West Bengal, operates a manufacturing unit at Semiliguda Industrial Estate, Village Ranikona, District Koraput, Odisha. The unit is engaged in manufacturing premium and luxury-quality plywood, block boards, decorative veneers, flush doors and other allied products under reputed brands such as Green Club Plus 700, Green Club 500, Optima-G and Ecotec. With a total project cost of ₹201.15 crore, UCO Bank has extended financial assistance of ₹130 crore towards the project, demonstrating its commitment to supporting industrial growth and entrepreneurship. The project is expected to give a significant boost to the industrial ecosystem of Koraput and Odisha by attracting investment, strengthening local manufacturing capabilities and generating direct and indirect employment. It will also create livelihood opportunities through ancillary industries, transportation, logistics, raw material procurement and allied services, thereby stimulating local economic activities, enhancing income levels and fostering inclusive and sustainable regional development.

SUCCESS STORY-2

Ms. Kanjanayana Garnaik, daughter of Shri Rabindra Garnaik and a resident of Kuio, Angul, aspired to become an entrepreneur and contribute to her family's financial well-being. With this objective, she underwent free women's tailoring training at UCO-RSETI, Angul, where she successfully acquired the necessary skills to establish her own enterprise. Following the training, she set up her tailoring unit at Pragati Nagar, Angul. To expand her business, Union Bank, Kumanda Branch, extended financial assistance of ₹10 lakh under PMEGP. Through her dedication and entrepreneurial spirit, she is now earning approximately ₹25,000 per month and has generated employment opportunities for four people from her village. Her journey demonstrates how skill development, institutional credit and sustained encouragement can transform aspirations into successful enterprises, promote women's economic empowerment and create sustainable livelihood opportunities in rural areas.

SUCCESS STORY-3

Smt. Laxmi Singh, a resident of Laxmankhunta village under Basta Block of Baleshwar district, hails from a rural ST family and aspired to become financially independent while managing her family responsibilities. To pursue this goal, she underwent mushroom cultivation training at UCO-RSETI, Baleshwar, where she acquired practical skills in production, harvesting, packaging and marketing. Following the training, her loan application was sponsored by RSETI to Punjab National Bank, Rupsa Branch, which sanctioned financial assistance of ₹80,000 under MUDRA (Agri-Allied) for establishing her mushroom cultivation unit. With the bank's support and the skills acquired, she successfully established Laxmi Mushroom Production Unit in her village and commenced commercial production and sale of mushrooms. Her enterprise has created a sustainable source of livelihood, strengthened her financial independence and enabled her to contribute to her family's well-being without migrating for employment. Her journey exemplifies how skill development and institutional credit can promote rural entrepreneurship and women's economic empowerment.

SUCCESS STORY-4

Mr. Prasant Kumar Muni, after leaving his government job, embarked on an entrepreneurial journey in 2010, developing innovative, health-focused food products alongside his daughter, a trained nutritionist. His venture gained a major boost in 2022–23 through financial assistance under the PMFME Scheme, facilitated by the District Industries Centre (DIC), Ganjam, with finance extended by State Bank of India, MCC Berhampur Branch. The financial support enabled modernisation of the production unit, procurement of advanced machinery and diversification into innovative products under the brand "Gutzy", including millet-based drinks, superfood blends, mango and tamarind candies, and ready-to-cook mixes. The enterprise witnessed remarkable growth, with turnover increasing from ₹6 lakh in 2022–23 to ₹1.19 crore in 2024–25. Gutzy has also generated local employment, strengthened supply chains and emerged as an inspiring example of entrepreneurship and the transformative impact of institutional credit and Government support.
